

Referee Name:

Game Division:

Game Standard:

Game Awareness and Positioning	NYC	C
Demonstrates a very good knowledge of attack strategy, and positions accordingly in general play		*
Anticipates the play to be in the next desired position, moves with urgency, uses full field width		*
Is aware of and manages loose players consistently and supports buddy's calls		*
Demonstrates a good knowledge of the player's roles and the impact on game outcomes		
Checks both sides for shooter(s), manages appropriately and communicates early		*
Has a physical presence in the 5m line where game strategy allows		*
Sets the 5m line consistently, utilising appropriate movement techniques and communications		*
Anticipates the change of possession and sprints the change of possession (i.e. 5 m to 5 m)		*
Game Management	NYC	C
Manages the "defensive player who makes the touch" to an on-side position early and allows game to flow		*
Consistently manages/controls the roll ball (no interference) with forethought for advantage		*
Manages the defensive players on the 5m and 10m (following the tap)		
Manages the off-side players in drives, is aware of referee prioritising (where referee has to focus and with the buddies recognising that)		
Plays advantage through pro-active/early communication to keep game flowing		*
Manages physical play and takes appropriate action as and when necessary, early where possible		*
Identifies and manages verbal conflict appropriately and with confidence		
Clear, concise signals, whistle and explanations given with and for decisions so off-field referees can react quickly and set up the defensive line. Signal and decision given toward the defence		*
Establishes clear and audible communication with players		*
Displays a detailed understanding of the rules, their application and impact on the game		*
Team Work and Communication	NYC	C
Consistently sets a 5m line reference point from off field position and still maintains a clear view of the on field referee		*
Provides effective support to on-field referee		
Builds a very good rapport with wingers and links to enhance teamwork		*
Communicates with realigning players (defenders) to assist on-field referee with 5m control and advantage		*
Communicates effectively with on field referee to keep players moving forward, off the Scoreline		*
Is supportive and in sync with referee team decisions, demonstrates appropriate leadership		*
Adopts very good off field positions to assist with decision making		*
Referee Systems	NYC	C
Interchanges made with confidence, shares the game workload, is in a change position and initiates the interchanges		*
Communicates very effectively on field entry, uses options to eliminate penalties on entry, positive influence on the game		*
Demonstrates good field entry positioning, uses short side if appropriate, establishes the 5m line early/quickly, square before the first touch is made		*
Aware of player substitutions, game strategies at the substitution and responds accordingly		
Exits field at an angle to ensure the oncoming referee can take early control		*
On exit maintains game awareness to ensure management of any incident/assist on-field referee		*
Scoreline	NYC	C
Is close to Touchdown situations and has a clear view of the ball and touches at and behind the Scoreline, is aware of set plays and is well positioned for all scoring opportunities		*
Demonstrates a very good knowledge of attack strategy, and positions accordingly on Scoreline		
Anticipates the long ball, moves accordingly to maintain sight and good proximity to the ball		*
Effectively manages defenders within 5m of the Scoreline (standoff)		*
