B – EVENT SPECIFIC INFORMATION	
Item 1 – Rules	
	The 8 th edition of the TFA Playing Rules will apply. Rules can be viewed from the TFA website here: 8th Edition of the TFA Playing Rules
Item 2 – Tournament Management	
	<p>TFA’s Tournament Management will determine, and will rely on policy where they exist, to interpret matters not covered or specified by the conditions of entry.</p> <p>Tournament Management has the right to amend any tournament rule if required.</p>
Item 3 – Draw Formula	
	<p>The draws are dynamic and subject to change for a variety of reasons.</p> <p>After the close of nominations, an indicative draw structure will be distributed.</p> <p>The draft draw will only be distributed after team lists have been submitted.</p> <p>An updated draw will be distributed to Entities with any additional draw changes advised as soon as possible.</p> <p>The final draw will be confirmed at the Managers Meeting.</p>
Item 4 – Playing Times	
	<p>Tournament Management reserves the right to alter duration of games in the best interests of completing the event.</p> <p>All finals games must result in an outright winner. In the event of a drawn match at the end of full-time, a drop-off will determine the match winner.</p>

Item 5 – Match Balls	
	<p>All teams must use the official Match Ball in all games throughout the tournament. Each team will receive a match ball from TFA at the Managers Meeting. Extra balls can be purchased from the Tournament Information Area at the event.</p> <p>12's division will use a Steeden size 4 ball and all other divisions Steeden size 5.</p>
Item 6 - Competition Points	
	<p>For all round robin games, competition points will be awarded on the results obtained. The following points will be awarded:</p> <p>Win = Four (4) points Draw = Two (2) points Loss = Zero (0) point Forfeit = Minus one (-1) points for the offending team Bye = Zero (0) points – if there are an equal number of byes allocated within the pool. Bye = Four (4) points – if there are an unequal number of byes allocated within the pool.</p>
Item 7 – International Teams	
	<p>International teams are unable to accrue points however, teams must defeat them in order to earn maximum points and/or points for a draw (as per above). For example, if an international team wins, neither team will receive any points for that particular game.</p>
Item 8 – Forfeits	
	<p>Teams must be in attendance at their playing fields five minutes before the commencement of their match.</p> <p>It is the responsibility of each captain to report to the referees two minutes before the commencement of the game so that the toss of the coin can be affected without loss of time.</p> <p>If a team is not at the field at the time of the toss, the attending team can be awarded the winning of the toss.</p> <p>The offending team will receive a maximum of five minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.</p>

	<p>If the offending team is not in attendance after the five minutes has expired, the game will be deemed a forfeit and the non-offending team will be awarded the win with a 5–0 score. The offending team will receive a 0–5 score and receive negative points as indicated above. The offending team will be penalised one touchdown after the first minute and one touchdown for every minute thereafter up to five minutes. (e.g. three minutes late equals 0–3 score).</p> <p>Upon conceding a forfeit, the Tour Leader or their appointed representative of an offending team will be required to show cause to Tournament Management by the end of the match in question why their team should not be excluded from participating in any further matches. Tournament Management or an appointed Disciplinary Tribunal will decide upon receipt of the report if the offending teams' action warranted the need to forfeit the match and may incur a monetary fine of up to \$1,500 (GST exclusive). This written report must be submitted to Tournament Management one hour prior to the teams next scheduled game.</p> <p>Forfeits In the Final Series</p> <p>If a team is forced to forfeit in the final series, the team's Tour Leader must submit in writing the reasons for their forfeiture, as per the above process. It must be then approved by Tournament Management, or a monetary fine of \$1,500 (GST exclusive) will be imposed upon the forfeiting team, which will be invoiced to the relevant Entity, who is subsequently responsible to pay.</p> <p>NOTE: Forfeits for any reason in the final series negates the forfeiting team's rights to participate further in the final series.</p>
Item 9 – Determining positions for Finals/Other	
	<p>Finals/Other</p> <p>Positions for the Final Series/Other will be determined as follows:</p> <ol style="list-style-type: none"> 1. Highest on table – if equal; 2. Differential (for and against) – if equal; 3. Percentages – if equal; 4. Result of preliminary game (count back) – if drawn; 5. Least tries scored against; 6. Most tries scored; 7. Drop off; and 8. Any other method as determined by TFA. <p>Forfeit Affected Positions</p> <p>If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the preliminary rounds, the forfeit may cause some obvious problems. When a nonoffending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in</p>

	<p>final calculations. Similarly, for the other teams that finish on equal points, they will have the 'for and against' from that forfeited team deducted from their total. For teams involved in competing against teams on two occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round. For example:</p> <p>Team C forfeits to Team A in game three (first round).</p> <p>Team A wins 5 – 0 on forfeit. Team B defeats Team C, 5 – 3 in game four (first round).</p> <p>If after the preliminary rounds, the 'for and against' is:</p> <p>Team A – 50 for and 10 against (plus 40) Team B – 60 for and 20 against (plus 40)</p> <p>The above results would be deducted first, and the result is:</p> <p>Team A – 45 for and 10 against (plus 35) Team B – 55 for and 17 against (plus 38)</p> <p>Therefore, Team B would gain the higher position.</p> <p>Differential</p> <p>The differential is determined by subtracting the total of touchdowns scored 'against' from the number of touchdowns scored 'for'. The team with the best differential will obtain the higher position. For example:</p> <p>Team A scores 50 for and 10 against Team B scores 40 for and 10 against By subtracting the 'against' from the 'for', Team A would be 'plus 40', whilst Team B would be 'plus 30'. Team A would therefore obtain the higher position.</p> <p>If teams have the same 'difference' the percentage system would then apply.</p> <p>Percentages</p> <p>If this system is used, it is easily explained that if the 'difference' is in the 'plus' situation (see above), the team with the least number of touchdowns scored against them, would obtain the higher position. However, if the 'difference' is in the 'minus' situation, the team that has scored the most touchdowns would obtain the higher position.</p>
--	--

	<p>The percentage system is calculated by placing touchdowns 'for' over touchdowns 'against' and multiplying by 100 over 1.</p> <p>Using the above example:</p> <p>Team A = $\frac{50}{10} \times 100 = 500\%$ Team B = $\frac{60}{20} \times 100 = 300\%$</p> <p>Team A would obtain the higher position.</p> <p>Result of Preliminary Game (Count Back)</p> <p>If all is equal than the result of the preliminary game between the two shall determine the higher position.</p> <p>Least tries scored against</p> <p>If the result of the preliminary game was a draw, the team that has had the least number of tries scored against them will be used to determine the higher position.</p> <p>Most tries scored</p> <p>If the result of the preliminary game was a draw and the teams have an equal number of tires scored against them, the team that has scored the most tries will be used to determine the higher position.</p> <p>Drop-Off</p> <p>If the result of the preliminary game was a draw, and the tries scored against and tries scored for are equal then a drop-off will occur with details to be communicated by Tournament Management.</p> <p>Any Other Method</p> <p>In extenuating circumstances TFA may be required to adopt an alternative method to determine finals series placings and may do so its sole discretion.</p>
<p>Item 10 – Complaints and Protests</p>	
	<p>TFA recognise that all parties wish to have the opportunity, should a situation arise, to have their position heard and/or considered.</p>

	<p>A 'complaint' may be dealt with informally or formally in accordance with TFA's Member Protection Policy and these tournament conditions, following the lodgement of an Official Protest.</p> <p>Tournament Management aims to provide a simple dispute resolution process for complaints based on the principles of procedural fairness. Any person (a complainant) may report a complaint in accordance with TFA Member Protection Policy. All complaints relating to the tournament requires endorsement and submission by the entity.</p> <p>Management will not consider complaints on decisions of a referee made during the course of the game.</p> <p>All other complaints will be dealt with promptly, seriously, sensitively and confidentially, as per the outline above.</p> <p>TFA reserves the right to adjust time frames quoted in the Member Protection Policy and Disciplinary Regulations to ensure it handles complaints in a time frame befitting tournament conditions.</p>
Item 11 – Disciplinary Regulations	
	<p>Touch Football Australia is the 'TFA Authority' and when using the Disciplinary Regulations commences at the Disciplinary Tribunal level and allows for a first level appeal to occur in an event environment. This is therefore the final level of an appeal that will be used within the event environment.</p> <p>A second level appeal process is available, however cannot be implemented inside an event environment. Second level appeals will be undertaken separately to an event under normal Disciplinary Regulations timelines and processes (see Points 7-18 below).</p> <p>In all cases the Disciplinary Regulations apply to this event, with amendments to the timelines (annotated in Bold) to ensure the urgency in dealing with situations that arise in an event context as outlined below:</p> <p>7. Under the</p>

Item 12 – Suspensions	
	<p>As stated above, in the event of a player being dismissed for the remainder of the game, an automatic two match suspension will apply unless the Disciplinary Tribunal considers further action is warranted.</p> <p>Any player who receives three separate sin bins over the tournament will be given an automatic two match suspension.</p> <p>The suspension applies to the next two matches the team participates in the event. It does not include byes, or if the player belongs to a team that forfeits in a match. Games forfeited against the suspended player's team will count.</p> <p>All automatic two match suspensions will apply and cease at this event and will not carry over into future events.</p> <p>In the event that a suspension or penalty is imposed by a Disciplinary Panel that may affect a local or state event, there needs to be official communication with the relevant state office.</p>
Item 13 – Eligibility Issues

Item 14 – Score Cards	
	<p>It is the responsibility of each team to allocate an official score person for each game. Both scorers are required to score the game from the allocated scoring area which will be allocated next to one of the interchange areas. The official score card will be recorded at that location.</p>

	<p>The official score persons are to sign the score card at the end of each game. In signing the score card, the nominated person on behalf of their team has acknowledged and accepted the information on the score sheet to be true and correct. This information includes:</p> <ul style="list-style-type: none"> • Full time and half-time scores • Sin Bins or Dismissal sanctions. <p>Each team is required to complete a Team and Score Sheet for every game they participate in. The information that is required is player numbers and try scorers for both teams. This information needs to match up with the official scorecard (i.e. number of try scorers' matches the final score).</p> <p>TFA encourages all referees and the official score persons to communicate throughout the game to make sure that the score sheet is correct.</p> <p>If you do not agree with the information on the score card, do not sign the score card and lodge a protest via the Tour Leader as indicated above. Protests will be reviewed by Tournament Management.</p> <p>If the score card has not been signed and the time has passed for a protest to be lodged, the information on the score card will be recorded. In the specific instances of a score dispute, the time to lodge a protest is 60 minutes, as this is an appropriate amount of time for video review to occur prior to progressing with a formal process if required.</p> <p>If the information on the score card is unclear, the relevant parties may be contacted to confirm.</p>
Item 15 – Score Disputes	
	<p>Teams who do not provide an official score person negate their right to dispute the score.</p> <p>If a team does not agree with the score on the score sheet it should be noted on the official score sheet and a protest lodged via the Tour Leader as indicated above.</p> <p>The following information is to be provided with the protest:</p> <ul style="list-style-type: none"> • The team that tapped off first and direction of play. • The order the scoring occurred (including player numbers of both teams). • The half time and full-time scores. <p>The opposing team will be called to verify the score.
