FROM THE MAYOR...

Welcome to the Sunshine Coast for the 2020 National Youth Touch Football Championships.

Our Sunshine Coast community embraces sport as an essential part of our lifestyle. The region hosts a wide range of sporting events, competitions and training opportunities which enable talented young athletes to grow, develop and compete in a safe, friendly environment.

For those coming from across Queensland, we are delighted to show you the best that our region has to offer.

There are plenty of natural attractions and a wide range of adventure and cultural experiences to enjoy – so please make sure you make the time to check some of them out while you are here.

On behalf of our Sunshine Coast Council, may I wish all competitors in this event every success.

With best regards,

Mayor Mark Jamieson

WINNING PARTNERSHIP

SPORT AUSTRALIA PROUDLY SUPPORTS TOUCH FOOTBALL AUSTRALIA

Sport Australia is responsible for driving greater participation, engagement and capability in Australian sport.

Touch Football Australia has worked with Sport Australia to develop touch football from community participation to high-level performance. Touch Football Australia is one of many national sporting organisations that has formed a winning partnership with Sport Australia.

SPORT AUS

Sport Australia is an operating name of the Australian Sports Commission.

MESSAGE FROM THE CEO

Welcome to the 2020 National Youth Championships (NYC), and a huge congratulations on your selection!

I can't tell you how thrilled we are that we have been able to make this event happen despite the challenges that 2020 has thrown everyone's way.

It's a different looking NYC event to previous years, but this is the first major Touch Football event that's been held since COVID-19 turned the world upside down earlier in the year.

For most parts of the country, community sport has been able to return to the field over the past few months, and we at Touch Football Australia (TFA) have been overwhelmed by your eagerness to return.

The resounding attitude we heard from our people was that there was a thirst to get back to Touch Football, not only because it's a fun and healthy activity to take part in, but also because it provides people with connection to others and a community they missed during lockdown.

The TFA team are pleased to be back doing what we're passionate about – delivering the sport again, albeit with some new procedures in place to help protect our people.

So here we are, on the naturally refreshing Sunshine Coast, about to witness the best young Touch Football athletes from across Queensland going head to head for the NYC 2020 title.

Thank you to our major event partner, Sunshine Coast Council, and to the staff at Sunshine Coast Stadium, TFA, as well as NRL event staff, for their unwavering commitment to making this event possible in challenging times, and for the work they are putting in to deliver a safe event for participants.

Thank you to Buderim Ginger, an iconic local Sunshine Coast business, for your support and for hosting the event's launch at The Ginger Factory. Make sure you head over to The Ginger Factory in Yandina during your time on the Sunshine Coast to enjoy the food, beautiful

sub-tropical gardens, and the site's newest attraction, the Gruffalo augmented-reality experience. It's free entry and there's something for everyone to enjoy between games.

Thanks to all our partners, who have all stuck with us in these extraordinary times. I would like to single out Mater Health and their Director of Infectious Diseases, Dr Paul Griffin, for assisting in the development of our sport's Return-to-Play Protocols and Guidelines and for providing a team of doctors for this event. Our participants are certainly in safe hands.

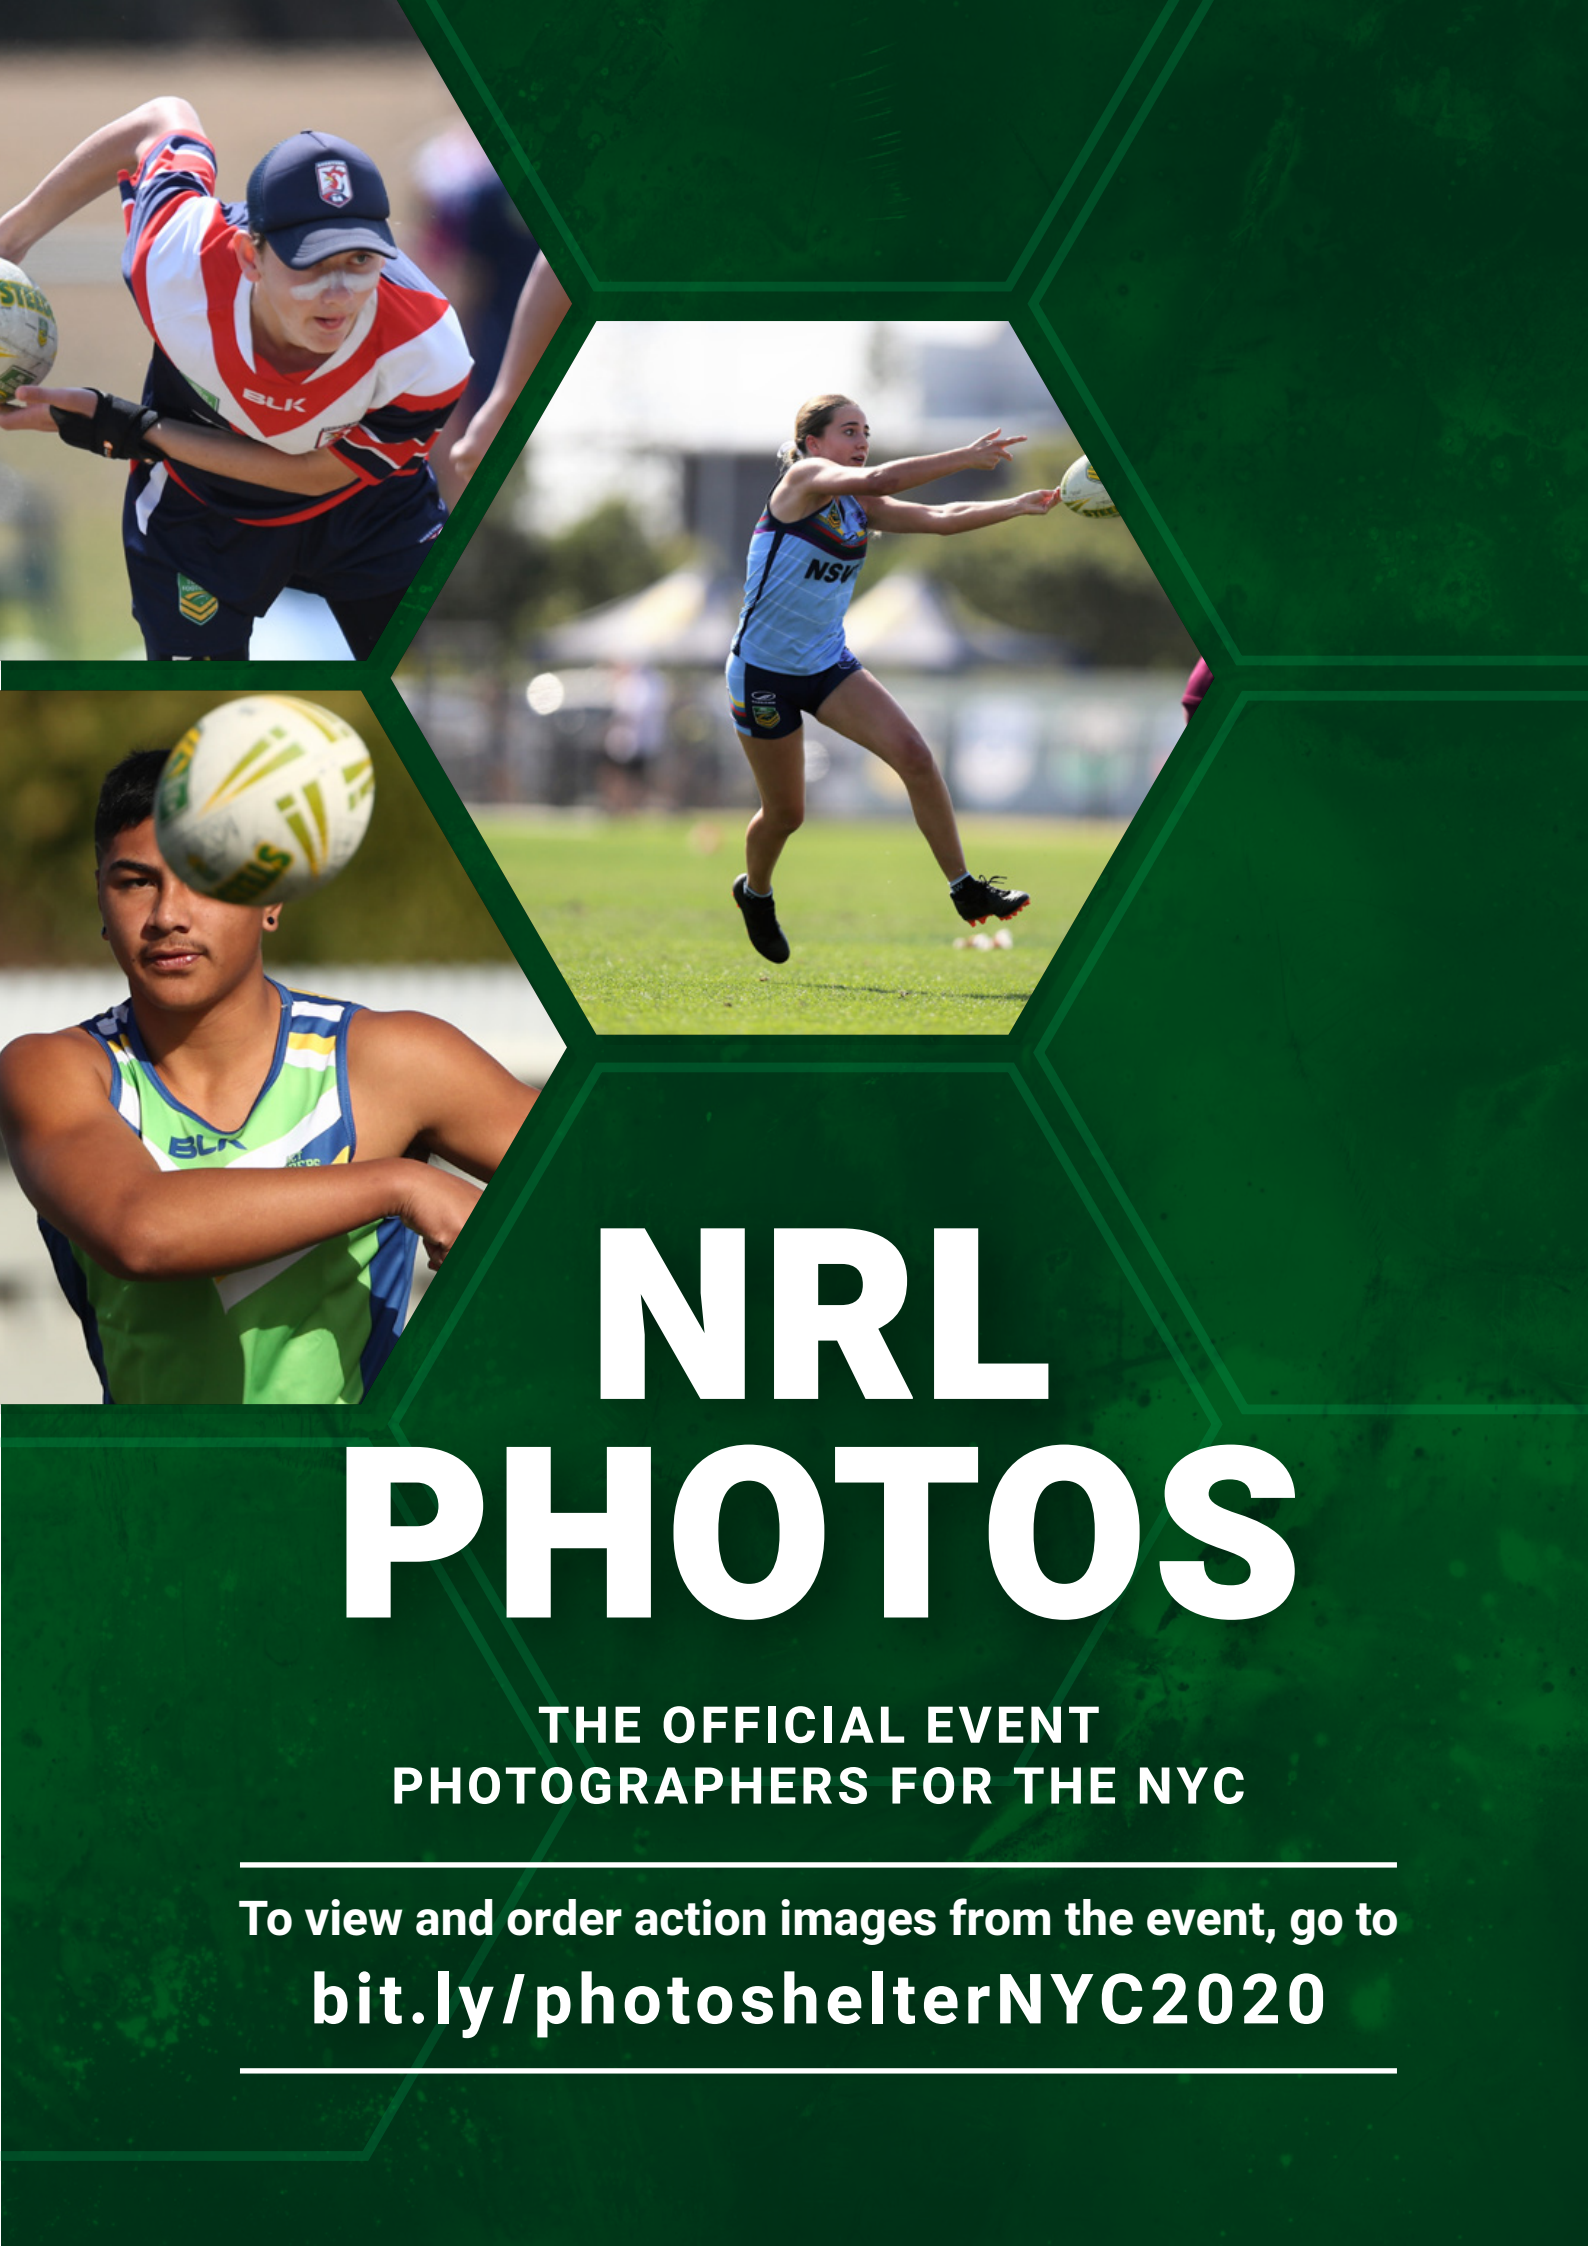

TFA has COVID-Safe Plans in place to make this event safe and enjoyable for all, and we appreciate all players, officials and spectators for playing your part in following the guidelines for the protection of everyone.

I hope you have a wonderful NYC experience, both during competition and as you explore the many attractions of the Sunshine Coast.

Jamie O'Connor

CEO,
