

# Bundaberg Cup

## Draw Structure (2021)

As of 28 January 2021

## Structure and Format

QTF has endeavoured to deliver a draw structure that is fair and equitable to all participants for this year's event. The guiding principles used at previous QTF events inform this year's event draw as follows:

### Determination of Round Games and Pools

- › All Teams will play on the first day of competition (Saturday).
- › Teams will play a maximum of five games per day.
- › Teams are to have a minimum of two games break between games, other than Quarter Finals, Semi Finals and Finals, where this may not be possible due to time constraints.
- › Finals will commence on Sunday morning.

### Playing Times

All games in the event will be 25 minutes straight.

Five (5) mins between games. [Time slots 30 minutes]

- QTF Tournament Management reserves the right to alter duration of games based on any specific tournament requirements and in the best interests of player welfare.
- All finals games must result in an outright winner. In the event of a drawn match at the end of full-time, a drop off will determine the match winner.
- There is no "time off" for serious injury during any Round Matches or Finals.

### Determination of Finals Rankings Across Pools

The overall positioning of teams into Quarter Finals and Play-Off matches is determined by the following assessment;

- › Overall Points – if equal, then;
- › Overall Differential (for and against) – if equal, then;
- › Overall Percentage – if equal, then;
- › Result of Round game – if draw;
- › Drop off.
