Message from the Minister

Welcome from the NSW Government

On behalf of the NSW Government, I am delighted to welcome you to Coffs Harbour for the 2021 Inferno National Touch League.

This four-day tournament will showcase Touch Football on a national stage, bringing together some of the country's best athletes, and the NSW Government is proud to support this event via its tourism and major events agency, Destination NSW.

Events such as the Inferno National Touch League are the lifeblood of many regional towns, generating substantial economic and social benefits for local communities, which is why we'll continue to do all we can to provide support to the NSW visitor economy and tourism and events industry.

I encourage competitors and supporters to take some time outside the event program to explore the region and visit local businesses to assist with its economic recovery. With a stunning coastline, wide range of attractions and a cosmopolitan dining scene, there is something for everyone.

I wish all competitors the very best of luck and hope visitors thoroughly enjoy their stay.

Minister for Jobs, Investment, Tourism

**THE
GREAT
ESCAPE**

Message from the CEO

On behalf of the Touch Football Australia (TFA) Board and staff, I'm excited to welcome everyone to beautiful Coffs Harbour for the 2021 Inferno National Touch League (NTL).

The NTL will forever mark the COVID anniversary for our sport. It was during NTL 2020 that the news of COVID-19 and its impending impacts on Australia started to break. We were extremely fortunate to complete the event before restrictions came into place and life hasn't been the same since.

It has been a tremendously difficult 12 months for everyone, and our thoughts are with all those in the Touch Football family that have been affected by the pandemic both here and abroad. We hope that the worst is now behind us and we're extremely grateful that people from all around the country are able to take part in our national championships, albeit with some restrictions in place.

This year, teams in Open divisions through to Men's 60s will compete at C.ex Coffs International Stadium, and we are also welcoming back the Indomie Noodles All Abilities division that was introduced for the first time last year. Participants and spectators

alike loved seeing the All Abilities division incorporated into the NTL event, so we're looking forward to its inclusion again this year.

Thank you to all the hard-working and passionate players, families, affiliates, referees, coaches, team managers and our other generous volunteers for the efforts you have made to be here.

Our sincere gratitude goes to Inferno Sports, Destination NSW and Coffs Harbour City Council for making this event possible. Thank you also to all of our other commercial partners and government agencies, particularly NSW Health for their support and commitment to this year's event.

We hope you enjoy your time, perform at your best, make great memories with your teammates and experience some of the great attractions the Coffs Coast has to offer while you have this opportunity to travel. Show us what you're up to by using the hashtag #NTL2021.

Between your own matches, remember to tune into the live stream. For the first time ever, all games played on Field 2 – as well as the usual

Field 1 – will be streamed on Touch Football Australia's YouTube channel.

I can't wait to watch some great Touch Football over the next few days and look forward to seeing you around the grounds.

TOUCH FOOTBALL AUSTRALIA NATIONAL INSURANCE SCHEME

Programme Summary

The Touch Football Australia National Insurance Scheme is a joint initiative of Touch Football Australia and its State Bodies and has seen a number of benefits provided to Touch Football clubs throughout Australia. It is designed to save clubs time, effort and money and provide enhanced cover and services for the Touch Football community.

Coverage

The Programme provides coverage 365 days of the year with an annual renewal date of 30th June.

What's Covered

In general, all touch football activities are covered. This includes matches, training, functions, meetings and the like (anywhere in Australia). The Programme provides broad protection across the following areas:
