MESSAGE FROM THE COUNCILLOR

Welcome to the Sunshine Coast for the 2021 DoorDash National Youth Championships.

Our Sunshine Coast plays host to numerous sporting events, competitions, and training opportunities throughout the course of each year which provide great opportunities for young athletes to compete and develop their skills in a safe, welcoming environment.

Our great natural attractions from our coastline to our hinterland are what makes this region so special so I would like to encourage everyone who is visiting our Sunshine Coast for the NYC to take time to sample some of the experiences, events and locations we have on offer.

On behalf of our Sunshine Coast Council, I would like to wish the best of luck to all of our young competitors.

With best regards,

Councillor Jason O'Pray
Sunshine Coast Council

MESSAGE FROM THE CEO

Welcome to the Sunshine Coast and to the 2021 DoorDash National Youth Championships.

2021 will mark the second occasion where we welcome Under 12s, 14s, and 16s teams to compete alongside our traditional Under 18s division of the DoorDash National Youth Championships. After an absence in 2020, we are excited to see teams from Northern Territory and Tasmania join those from throughout Queensland in competing for the 2021 DoorDash National Youth Championships and we are really looking forward to the day when we can all be back together taking part in the sport we love.

For the first time, the DoorDash National Youth Championships will be livestreamed by our new streaming partner Kayo Sports. Along with this event we will see over 100 hours of Touch Football streamed exclusively live and free on Kayo Freebies annually. This partnership is exciting for our participants and fans to watch premier events such as the DoorDash National Youth Championships on Australia's largest sports streaming platform.

We once again return to the naturally refreshing Sunshine Coast where the DoorDash National Youth Championships has been held for 13 of the last 15 years; an event that has more than doubled in size since inception. We're thrilled to not only come back but to also extend our partnerships with the Sunshine Coast Council through to 2023. Thank you to our major event partner the Sunshine Coast Council and staff at Sunshine Coast Stadium for their commitment in the most challenging of times and for making sure we call all take part this week.

This event has a rich history. The likes of NRL superstars Ryan Papenhuyzen and Kalyn Ponga, Queensland Origin stars Tamika Upton and Tarryn Aiken alongside a long list of Australian Emus players have competed here and I can't wait to see the next generation showcase their talent and skill this week.

Thank you to all our partners who continue to support our sport through these extraordinary times, particularly DoorDash who join us as naming rights partner of

this event for the first time; we look forward to this being the first of many great DoorDash National Youth Championships.

I hope everyone has a wonderful DoorDash National Youth Championships experience, whether you are one of the fortunate ones taking part on the Sunshine Coast or one of the many thousands watching the broadcast live and free on Kayo Freebies.
