## Welcome from the NSW Government

On behalf of the NSW Government, I am delighted to welcome you to Coffs Harbour for the 2022 Inferno National Touch League.

This four-day tournament, proudly supported by the NSW Government through its tourism and major events agency Destination NSW, showcases the skills of Australia's best touch footballers on a national stage, bringing together some of the country's top athletes.

Events such as the Inferno National Touch League add to the vitality of regional centres like Coffs Harbour, attracting hundreds of competitors and supporters who stay in our hotels and spend locally. They contribute substantial economic and social benefits for local communities and are key drivers of the NSW visitor economy.

I encourage competitors and supporters to take some time outside the event program to explore the beautiful Mid North Coast region and visit and support local businesses. With a stunning coastline, a wide range of attractions, and a cosmopolitan dining scene, there is something for everyone.

I wish all competitors the best of luck and hope that everyone thoroughly enjoys their stay.

Minister for Enterprise, Investment and Trade  
 Minister for Tourism and Sport  
 Minister for Western Sydney

# Message from the CEO

Welcome back to Coffs Harbour for the 2022 Inferno National Touch League (NTL).

We have been fortunate over the past couple of years to have been able to host the Inferno National Touch League with limited impact and I am pleased to see so many players, officials and spectators returning this year for what we hope will be another outstanding event. While we continue to feel the impacts of COVID we are starting to see the light at the end of the tunnel and we can't wait to drive our sport forward in the post-pandemic environment.

This year, we will have 127 teams participating across 17 divisions. To highlight the unrivalled diversity of our sport we have Mens and Womens under 20s returning to the event alongside what is thought to be a world first, an over 50s division for women.

The Indomie Noodles All Abilities division continues to be a much-loved feature of our event, and we are excited to welcome back our athletes and Indomie Noodles All Abilities teams for the third straight year. This division continues to grow and continues to inspire; whether you are coming for the first, second or third time we hope you have a wonderful experience, and I can't wait to see you all take part.

Without all the hard-working players, referees, coaches, team managers and our army of dedicated volunteers we would not be able to run events like these, so thank you for all the time, effort and passion that you commit to our great game.

Thank you to Inferno Sports, Destination NSW and Coffs Harbour City Council for your support in bringing the 2022 Inferno National Touch League to life; it has been a challenge, but your unwavering support has made it all a whole lot simpler. Thank you to all of our other commercial partners and government agencies for your support and contribution to the sport and we look forward to continuing to work alongside you.

We have one overarching goal in the delivery of our sport and that is to enhance experiences. We hope we continue to facilitate great memories for our participants, and that you enjoy your time in Coffs Harbour. I encourage you to share your memories and your experiences with us at the 2022 Inferno National Touch League by tagging Touch Football Australia and using the hashtag #NTL2022.

If you can't get to the C.ex Coffs Stadium to watch all the great action live, be sure to tune into our streaming partner Kayo Sports as we showcase the best talent in the world.

On behalf of the TFA Board of Directors and all of the TFA staff, welcome to Coffs Harbour – we hope you have a great tournament.
