

NATIONAL TOUCH FOOTBALL MEMBERSHIP BENEFITS

● By becoming a member of TFA, you **become one of 130,000 unique participants nationwide**. It provides you access to our exclusive network and connects you to Australia's largest social sport and part of the broader NRL community.

● **Access to a purpose-built digital solution for membership and competition management.** MySideline is your one-stop shop for accessing your membership profile, fixtures and results.

● Have the confidence when you step on the field that **every active member is covered by TFA insurance** including personal accident, public liability and professional indemnity insurance from grassroots to the Emus.

● Feel safe that the sport is **protected through the rules, policies and integrity frameworks** that support players, administrators and the touch football community every day.

● Our people gain valuable **access to resources and courses** through our learning and development frameworks. Whether it is referee and coaching courses in the Nest or affiliate support in the Hub, we are continually developing the tools to support our community.

● Being an active member of the sport, members receive exclusive **TFA benefits and discount offerings** that are unlocked through commercial partners across a range of industries.

● Pay once, play many. The annual membership allows members to pay the national membership once and then **play as often as they like** without having to pay duplicated affiliation and insurance fees.

● Gain **access to events and programs across the TFA** calendar from modified formats to seasonal competitions; you can be sure that we have an experience that meets your needs. And, if you want to play representative touch, our pathway leads all the way from come-and-try to the Emus!
