EVENT INFORMATION	
Rule Variations	
	<u>The 8th edition of the TFA Playing Rules</u> will apply to all TFA events.
Tournament Management	
	<p>TFA's tournament management will determine and rely on policy where it exists to interpret matters not covered or specified in the Conditions of Entry Documents.</p> <p>Tournament management has the right to amend any tournament rule if required.</p>
Draw Formula	
	<p>The draws are dynamic and subject to change for a variety of reasons.</p> <p>After the close of nominations, an indicative draw structure will be distributed.</p> <p>The draft draw will only be distributed after team lists have been submitted.</p> <p>An updated draw will be distributed to entities with any additional draw changes advised as soon as possible.</p>
Playing Times	
	<p>All matches will consist of twenty (20) minute halves with a five (5) minute halftime break, and five (5) minutes between matches.</p> <p>Tournament management reserves the right to alter the duration of games in the best interests of completing the event.</p> <p>All finals games must result in an outright winner. In the event of a drawn match at the end of full-time, a drop-off will determine the match winner.</p> <p>In instances where there are stand-alone open division grand finals, match referees may allow 'time off' for serious injury.</p> <p>Drop Offs For the 2026 event, drop offs will consist of a three (3) minute period of extra time. Should neither team be leading after the expiration of three (3) minutes, each team will remove another player from the field of play, and the match will recommence until a try is scored.</p>
Match Balls	
	<p>All teams must use the official Steeden match ball in all games throughout the tournament. Each team will receive a match ball from TFA at the tour leaders' meeting. Lost balls will need to be replaced at the expense of the Entity/team.</p> <p>Extra balls can be purchased from the tournament information area at the event.</p>

Competition Points

Competition points will be awarded for all round-robin games based on the results obtained.

The following points will be awarded:

Win	=	Four (4) points
Draw	=	Two (2) points
Loss	=	Zero (0) points
Forfeit	=	Minus one (-1) point for the offending team
Bye	=	Zero (0) points – if there is an equal number of byes allocated within the pool
Bye	=	Four (4) points – if an unequal number of byes is allocated within the pool.

Forfeits

Teams must attend their playing fields at least five (5) minutes before the commencement of their match.

It is the responsibility of each captain to report to the referees two (2) minutes before the commencement of the game for the coin toss.

If a team is not at the field at the time of the toss, the attending team will be awarded the winning of the toss.

The offending team will receive a maximum of five (5) minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.

If the offending team is not in attendance after the five (5) minutes have expired, the game will be deemed a forfeit, and the non-offending team will be awarded the win with a 5–0 score. The offending team will receive a 0–5 score and negative points as indicated above. The offending team will be penalised one (1) try after the first minute and one try for every minute thereafter up to five (5) minutes (e.g. three minutes late equals a 0–3 score).

Upon conceding a forfeit, the tour leader or their appointed representative of an offending team will be required to show cause to tournament management by the end of the match in question why their team should not be excluded from participating in any further matches. Tournament management or an appointed Disciplinary Tribunal will decide upon receipt of the report if the offending teams' action warrants the need to forfeit the match and may incur a monetary fine of up to \$1,500 (GST exclusive). This written report must be submitted to tournament management one (1) hour before the team's next scheduled game.

Forfeits in the Final Series

If a team is forced to forfeit in the final series, the team's tour leader must submit the reasons for their forfeiture in writing, as per the above process. It must be then approved by tournament management, or a monetary fine of \$1,500 (GST exclusive) will be imposed upon the forfeiting team, which will be invoiced to the relevant entity, who is subsequently responsible for paying.

NOTE: Forfeits for any reason in the final series negate the forfeiting team's rights to participate further in the final series.

Determining Positions for Finals/other

Finals/Other

Positions for the Final Series/Other will be determined as follows:

Strategic Partners

1. Highest on the table – if equal
2. Differential (for and against) – if equal
3. Percentages – if equal
4. Result of preliminary game (count back) – if drawn
5. Fewest tries scored against
6. Most tries scored – if equal
7. Drop off; and
8. Any other method as determined by TFA.

Forfeit Affected Positions

If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the preliminary rounds, the forfeit may cause some obvious problems. When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in final calculations. Similarly, the other teams that finish on equal points will have the 'for and against' from that forfeited team deducted from their total. For teams competing against teams on two occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round.

For example:

Team C forfeits to Team A in game three (first round).

Team A wins 5 – 0 on a forfeit.

Team B defeats Team C, 5 – 3 in game four (first round).

If after the preliminary rounds, the 'for and against' is:

Team A – 50 for and 10 against (plus 40)

Team B – 60 for and 20 against (plus 40)

The above results would be deducted first, and the result is:

Team A – 45 for and 10 against (plus 35)

Team B – 55 for and 17 against (plus 38)

Therefore, Team B would gain the higher position.

Differential

The differential is determined by subtracting the total of tries scored 'against' from the number of tries scored 'for'. The team with the best differential will obtain the higher position.

For example:

Team A scores 50 for and 10 against

Team B scores 40 for and 10 against

By subtracting the 'against' from the 'for', Team A would be 'plus 40', whilst Team B would be 'plus 30'. Team A would, therefore, obtain the higher position.

The percentage system would apply if teams had the same 'difference'.

Percentages

If this system is used, it is easily explained that if the 'difference' is in the 'plus' situation (see above), the team with the least number of tries scored against them would obtain the higher position. However, if the 'difference' is in the 'minus' situation, the team that has scored the most tries would obtain the higher position.

The percentage system is calculated by placing tries 'for' over tries 'against' and multiplying by 100 over 1.

	<p>Using the above example:</p> $\text{Team A} = \frac{50 \times 100}{10 \times 1} = 500\% \quad \text{Team B} = \frac{60 \times 100}{20 \times 1} = 300\%$ <p>Team A would obtain the higher position.</p> <p>Result of Preliminary Game (Count Back)</p> <p>If all is equal, then the result of the preliminary game between the two shall determine the higher position.</p> <p>Fewest tries scored against</p> <p>If the result of the preliminary game was a draw, the team with the least number of tries scored against them will be used to determine the higher position.</p> <p>Most Tries Scored</p> <p>If the result of the preliminary game was a draw and the teams have an equal number of tries scored against them, the team that scored the most tries will be used to determine the higher position.</p> <p>Drop-Off</p> <p>If the result of the preliminary game was a draw, and the tries scored against and the tries scored for are equal, then a drop-off will occur, with details to be communicated by tournament management.</p> <p>Any Other Method</p> <p>In extenuating circumstances, TFA may be required to adopt an alternative method to determine finals series placings and may do so at its sole discretion.</p>
Complaints and Protests	
	<p>TFA recognise that all parties wish to have the opportunity, should a situation arise, to have their position heard and/or considered.</p> <p>A 'complaint' regarding the tournament may be dealt with informally or formally in accordance with TFA's policies and these tournament conditions following the lodgement of an Official Protest.</p> <p>Tournament management aims to provide a simple dispute resolution process for complaints based on the principles of procedural fairness. Any person (a complainant) may report a complaint regarding the tournament; however, it will require endorsement and submission by the entity. Matters that are a breach of the National Integrity Framework and occur outside of a match will be handled in accordance with the Complaints, Disputes and Discipline policy.</p> <p>Management will not consider complaints about the decisions of a referee made during the game.</p> <p>As per the outline above, all other complaints will be dealt with promptly, seriously, sensitively, and confidentially.</p> <p>TFA reserves the right to adjust time frames quoted in the Disciplinary Regulations to ensure it handles complaints in a time frame befitting tournament conditions.</p>
Disciplinary Regulations	
	<p>Touch Football Australia is the 'TFA Authority' and when using the Disciplinary Regulations for Touch Football. In the first instance, any incident reported to TFA will be reviewed by a Disciplinary Tribunal Chair, and an offer of an Early Guilty Plea may be made in line with Point 13 of the document. A Charged Person is not obliged to accept the Early Guilty Plea</p>

	<p>and may choose to attend a Hearing, which will be convened during the event in line with the processes contained within the new Regulations.</p> <p>In all cases, the Disciplinary Regulations apply to this event. Item 14 outlines the types of Offence and the level of Penalty that apply to incidents that are substantiated.</p>
Suspensions	
	<p>If a player is dismissed for the remainder of the game, an automatic two (2) match suspension will apply unless the Disciplinary Tribunal considers further action is warranted.</p> <p>Any player who receives three (3) separate sin bins over the tournament will be given an automatic two-match suspension.</p> <p>The suspension applies to the next two matches in which the team participates in the event. It does not include byes or if the player belongs to a team that forfeits in a match. Games forfeited against the suspended player's team will count.</p> <p>All automatic two (2) match suspensions will apply and cease at this event and will not carry over into future events.</p> <p>If a suspension or penalty is imposed by a Disciplinary Panel that may affect a local or state event, there needs to be official communication with the relevant state office.</p>
Eligibility and Unregistered Player Issues	
	<p>If a valid protest is lodged regarding a player's eligibility (should TFA feel the protest has foundation), the entity will be required to provide proof of eligibility.</p> <p>Documentation of an individual required to prove eligibility would include:</p> <ul style="list-style-type: none"> • Statutory Declaration that they have met the eligibility criteria. • Evidence of an individual's registration. • Copy of sign-on sheets or any other data to substantiate that the individual is eligible. <p>If an entity cannot prove a player's eligibility, the player will be unable to participate in the tournament.</p> <p>All eligibility protests must be lodged before the final whistle of the final game of the tournament.</p> <p>Teams and entities that are found to have breached the eligibility criteria after the final whistle may be subject to repercussions for future TFA events, including refusal of entry and/or loss of points.</p> <p>Similarly, if a valid protest is lodged regarding a player participating, but that player is unregistered to the team in question, the entity protesting will be required to provide evidence of the unregistered player participating in said game.</p> <p>A team found playing an unregistered or ineligible player will have those games the player participated in recorded as a forfeit, and the team may be disqualified.</p>
Score Cards	
	<p>Each team is responsible for allocating an official score person for each game. Both scorers are required to score the game from the allocated scoring area. The official scorecard will be recorded at that location.</p>

Strategic Partners

	<p>The official score persons are to sign the scorecard at the end of each game. In signing the scorecard, the nominated person, on behalf of their team, has acknowledged and accepted the information on the scorecard to be accurate and correct. This information includes:</p> <ul style="list-style-type: none"> • Full-time and half-time scores • Try scorers • Sin bins or dismissal sanctions • Injuries • Non-participating players. <p>Each team must complete a team and score sheet for every game they participate in. The information that is required is player numbers and try scorers for both teams. This information must match up with the official scorecard (i.e. number of try scorers matches the final score).</p> <p>TFA encourages all referees and the official score persons to communicate throughout the game to make sure that the score sheet is correct.</p> <p>If you disagree with the information on the scorecard, do not sign the scorecard and lodge a protest via the tour leader as indicated in the Score Dispute section below. Protests will be reviewed by tournament management.</p> <p>If the information on the scorecard needs to be clarified, the relevant parties may be contacted to confirm.</p>
Score Disputes	
	<p>Teams that do not provide an official score person negate their right to dispute the score.</p> <p>The time to lodge a protest is 60 minutes from the conclusion of the match.</p> <p>If a team does not agree with the recorded score, the following process should be followed:</p> <ul style="list-style-type: none"> • Note that there is a score dispute on the official scorecard • DO NOT sign the scorecard • Notify your Tour Leader of the dispute and provide all relevant information as outlined below. • The Tour Leader must then formally lodge the protest with Tournament Management. <p>The following information is to be provided with the protest:</p> <ul style="list-style-type: none"> • The team that tapped off first and the direction of play. • The order in which the scoring occurred (including player shirt numbers of both teams). • The half-time and full-time scores. • Video evidence (if available). <p>Video evidence will be used only if conclusive. For example, if a VEO camera captures the entire game from first whistle to final whistle and all tries and try scorers are visible.</p> <p>If the scorecard has not been signed and 60 minutes have passed, the information on the scorecard will be recorded.</p> <p>Tournament Management may take up to 60 minutes from the time the protest is lodged to decide on the final score. In the event of inconclusive evidence, the score will be recorded as the score the referees have recorded.</p>
Additional Players	

Strategic Partners

	<p>The maximum number of players any team can register is sixteen (16).</p> <p><u>Open Category (Opens and 20s) and W27, M30 and SX</u></p> <p>Teams in the above divisions may only play a maximum of fourteen (14) players per match. If a team registers more than 14 players for the tournament, then the official team scorer must cross off the name/s of the player/s who will not be playing from the score sheet.</p> <p><u>Masters Divisions (W35, M40, W40, MX, M45, W45, M50, W50, M55, M60, M65) and All Abilities</u></p> <p>Teams in the above divisions may play a maximum of sixteen (16) players per match.</p> <p>If a team believes that the opposition plays an unregistered player or plays more than the permitted number of players, they can lodge a protest with Tournament Management. Everyone must wear closed footwear.</p> <p>Non-participating players must not wear their playing uniforms in the interchange area and are required to wear the approved off-field uniform.</p> <p>Failure to comply with this will result in individuals being asked to leave the field perimeter for the duration of the game and may result in further action, including a fine and/or suspension.</p>
