A - ADMINISTRATION REQUIREMENTS

Item 1 - Tournament Venue and Dates

The venue is:

UWA Sport Park, McGillivray Ave
MT CLAREMONT WA

The dates of the competition will be:

Friday 27th, Saturday 28th and Sunday 29th November 2026

NOTE: Pending team entries Friday 27th November (5.00pm -9.00pm) could be utilised for fixtures in the 12's, 14's and Open Divisions.

Item 2 - Team Eligibility

Teams eligible to participate in the 2026 Western Australia Junior State Touch Football Championships (JSC) presented by Fuel to Go and Play are to be representatives of Touch Football Australia (TFA) registered affiliates that are based in Western Australia (WA).

Affiliates may enter more than one team per division, but players are only permitted to play for one team. For example, an affiliate may enter two Open Boys teams, but the same player cannot be listed on both team sheets. The teams from the same Affiliate in the same age division must have differing uniforms in case the draw has them playing each other i.e. the uniform tops need to be distinctively different.

Invitational teams must be endorsed by their respective state or national body and are ineligible to contest any finals in any division at the 2026 Touch Football WA Junior State Championships presented by Fuel to Go and Play.

Schools participating in the 2026 School Sport WA Upper and Lower School Championships will be invited to participate as Invitational Teams (subject to invitations, number of teams and divisions participating)

All participants at the SLS must be fully financial members of Touch Football Australia (TFA) and Touch Football WA (TFWA) - or in the case of invitational teams, fully financial members of TFA or for international teams, the Federation of International Touch (FIT). **This includes the registration and payment of the TFA National Membership Fee.**

All participants including players, officials (both team and referees), their current affiliate, state and invitational teams must all be fully financial with Touch Football WA by **5pm Monday, 23rd November 2026** and abide by the laws and by-laws of TFA.

Item 3 - Player Eligibility

It is the responsibility of each JSC Affiliate being represented to ensure that all their players and officials are affiliated and financial members of a JSC Affiliate.

Participants who are not financial will be known as 'unfinancial' and as such will be seen as unregistered participants. If the team plays with an 'unfinancial' member, all points may be deducted.

Participants must have played a minimum of five games for the same team in the 'Normal' competition of that affiliate in the current summer (Season two) or past winter season (Season one) and be a registered Junior participant on MySideline with a TFWA registered Affiliate.

The word 'Normal' in this situation refers to the competition dates your affiliate has listed on their Annual Statement of Particulars. Section four of this document entails the competition commencement and finish dates of each affiliate's seasonal competition as well as the nominated weekdays that the affiliate competition will take place. The dates that have been listed are what constitute the affiliates 'Normal' competition.
A player may only represent one affiliate. If a player is a financial playing member at more than one affiliate during either Season 1 / 2026 or Season 2 / 2026, then the player must decide which affiliate they will represent. A player may not be listed on more than one team registration sheet.

Any person currently serving a suspension at affiliate level during the dates of the JSC is ineligible to participate for the duration of that suspension.

NOTE: A player in the 12's, 14's & Open Divisions must play in minimum of two (2) round games to qualify to play in any Finals.

Item 4 - Coach Eligibility

All coaches are required to possess or be working towards a current Community (Foundation) Coach qualification (this is an online course).
Coaches must have all relevant Code of Ethics paperwork completed.

Teams with coaches who do not complete accreditation requirements will need to show their coach is working towards a qualification or may be ineligible for finals.

Item 5 – Divisions

No Dispensation will be given to players turning 18 years of age in 2026.

Nominated referees must be active and registered with an affiliated TFA competition. Nominations may not be accepted unless this criterion is met. Referee online registrations commence on **Monday, 12th October 2026 and are due by 5pm Friday, 20th November 2026**. JSC affiliates will only be permitted to enter the applicable number of teams according to how many referees they have nominated. Team nominations that result in the Junior State Championship affiliates being under their required referee quota may not be accepted.

	In the instance that a JSC affiliate cannot meet their required quota, Touch Football WA has the right to allow teams to enter on a discretionary basis if their entry is deemed to be for the betterment of the tournament. JSC Affiliates unable to reach the required quota of referees by **5pm Monday 9th November 2026** will be invoiced $250.00 (GST exclusive) for each Referee short of the quota. If a referee has nominated and wishes to withdraw then they will need to be replaced by the State Championships Affiliate before the start of the event. If they are not replaced, then a fine of $250.00 (GST exclusive) will be allocated. In addition to fines, JSC Affiliates will be required to have a meeting with TFWA's State Manager and Referee Development & Operations Coordinator to discuss plans to address the deficiency and provide written documents of their commitment to improve the situation for future events. TFWA reserves the right to withdraw teams who do not supply the required number of referees for the tournament. The minimum accreditation required for referees to attend the event is an *Affiliate Level* as per the new Referee Accreditation Framework (previous Level 1). This is not applicable for Under 8 and Under 10 divisions. **If JSC Affiliates need advice or assistance in meeting this condition, please contact Touch Football WA.** **Please note that team nominations may not be accepted if affiliates cannot fulfill their referee quota. For each referee not fulfilling the quota, affiliates will be invoiced a referee development fee of $250.00 per referee.** **All accredited referees will be supplied full on field uniform at the event. Subject to availability.** In conjunction with the State Referee Panel, Touch Football WA has clarified the different referee types and how they affect numbers supplied by each Affiliate towards their referee quota. The criteria are outlined below: • Full-time Referee – a Referee who is available for the entire duration of the event; • Part-time Referee – a Referee who is available for at least one (1) full day of the tournament; and • Player/Coach Referee – a Referee who is also playing (Open Division only)/coaching/managing in the event. There is a limit of three (3) Player/Coach Referees per Affiliate allowed to be nominated for this event. The three (3) Player/ Coach Referees will be the equivalent of one (1) Full-time Referee when assessing the Affiliate's ability to meet the Referee quota. There is no maximum number of Part-time referees as long as; All affiliates MUST provide their tournament quota of referees, as per team to referee ratio stipulated in these conditions of entry, each day throughout the duration of the event.

For this tournament the player must be a registered player in a WA Affiliate and their fees have been paid in full for the current season. Item 14 - Transfers and Points system including Imports

The transfer system is designed to promote development within the boundaries of the Junior State Championship Affiliate and indeed such development is rewarded. The concept is based on a points system where each State Championship Affiliate is allowed a certain number of points based on the TFWA Player Points and Transfer Guidelines.

This guideline is only relevant to the Open and Under 14's divisions. Under 12's, 10's, and 8's will only require a dispensation request.
Guidelines for the Open and Under 14's division players wishing to transfer to another Affiliate to compete in TFWA events are as follows:

1. A player's existing Affiliate is the one that they last represented at a Touch Football WA event. E.g. Junior State Championships, State Championships, Super League, during the 18-month period prior to the commencement of the event for which the transfer is being sought.
2. Players may choose which team they wish to transfer to; however, the receiving team is strictly governed by the "Player Transfer Points System" (see below) whereby past and/or current Affiliate, state and/or national representative players attract points.
3. Players who receive dispensation as an "import player" will also be considered under the "Player Transfer Points System", and TFWA will have other restrictions or conditions on such "import players" on a case-by-case basis.
4. Teams receiving one or more transferred players may only do so if they do not exceed a total of 100 points (for teams who competed in the previous season) or 150 points (for teams who did not compete in the previous season). Teams representing Affiliates/Regions more than 150kms from Perth will receive a points allowance of 150 points.
5. A player is considered a 'transferred player' until the nomination due date for the 2026 Junior State Championships. The "Player Transfer Points System" will be enforced during this period.
6. Players wishing to transfer to another Affiliate, with whom they would otherwise not be eligible to play, must complete a "Transfer" form.
7. The player must submit the "Transfer" form to TFWA by **5pm Friday 20th November 2026**. Details of player transfers will be distributed by **5pm Monday 23rd November 2026** and any issues will be identified.
8. The player submitting the transfer form should inform their Affiliate of their intention to transfer.
9. Tournament Management has the right to disallow any Transfer/Dispensation and will review all player transfers in the interests of maintaining a fair competition, regardless of whether the team concerned complies with these guidelines.

Player Transfer Points System:

Points only apply to the players who are being transferred into the team, not for players who last represented the Affiliate concerned in a Junior Opens division or Under 14 division, or who have never represented any other Affiliate. Players imported from outside Western Australia carry the applicable points every year in which they participate, as do players imported into an Affiliate team for which they remain ineligible. The highest applicable points will apply. For example, if a player competed in last year's Super League and they are also in the Australian Men's Open squad during the past 18 months, then that player would attract 60 points.

Only approved playing uniforms will be permissible for players to wear while they are involved in any game at the tournament. To assist with crowd control, team officials must also wear SLS Affiliate issued clothing while they are involved in any game and ensure they wear closed footwear (i.e., if they are in the interchange area or in an alternative coaching position).

There are to be no changes to the playing uniform (i.e., inner or outer clothing or style of clothing) unless the SLS Affiliate has previously submitted a medical exemption request for a player to Touch Football WA and that request has been granted.

	A combination of playing uniforms is not permitted within a specific team. All members of the team must wear the same style, cut and design of shirt, singlet top, shorts, bike pants, body suits and socks. In addition to being advised to rectify the issues/breaches, a $20 (GST Exclusive) fine per offence to a maximum of $100 (GST Exclusive) may be issued to Affiliates for breaches of not wearing the correct uniform including **non-conforming Affiliate hats**. **All current uniform designs are to be forwarded to** warren.smiles@touchfootball.com.au **by 5:00PM Friday 23rd October 2026** to ensure that no obvious uniform clashes occur. Any player who is not playing in the official uniform will not be permitted to take the field of play until correctly attired. Referees will endeavour to enforce this rule, however if a breach is proven to have occurred it will result in a caution and fine as deemed appropriate by Tournament Management. **Compression Clothing:** The use of short length compression apparel such as short thigh length or calf length items of clothing will be permissible to be worn by a player (underneath their official uniform) and must be barely visible. The use of longer compression apparel will require medical dispensation from Touch Football WA prior to wearing in a game.
Item 17 - Tournament Briefing	
	The Tournament Briefing will be conducted online via video meeting. Team Managers will be sent confirmation of the briefing by **Friday 20th November 2026.** This briefing will include all information relating to the tournament and will be held on **Monday 23rd November 2026 at 6.30pm (30 mins).** **A link to join the online meeting will be sent to Team Managers and Affiliate contacts by Friday 20th November 2026.** The following documentation are required to be with TFWA Tournament Management prior to **5pm Wednesday 25th November 2026:** • Final Team Lists for each team • Final Officials List (including Medical and Judiciary delegates) Touch Football WA staff will audit the paperwork and affiliate Contacts, or Team Managers can collect their official Match Ball(s) and Managers Pack(s) upon receipt of the paperwork from Tournament Control prior to the tournament on **Friday 27th November 2026**. It is compulsory for all registered tournament Referees to attend this meeting.

B - EVENT SPECIFIC INFORMATION

Item 1 – Rules

The 8th Edition of the TFA Playing Rules (six a side) will apply unless otherwise stated.

The 10 Years and Under and the 8 Years and Under divisions will play under the following modified rules:

- The match is 15 minutes duration, consisting of one (1) x fifteen (15) minute period with no half time, allowing for more games to be played in a day
- Timing of these matches will be the responsibility of the separate 8's & 10's Tournament Control
- The defence cannot move up until the first receiver has received the ball
- A Junior touch ball will be used
- Games will be played on a half field

Drop-Off
24.1 Should a Winner be required in drawn matches; the following Drop-Off procedure is used to determine a Winner. 24.1.1 Each Team will reduce their on-field Team to four (4) players and within 60 seconds take up a position to restart play from the Halfway Line, defending the same end of the field as at the End of Play.
24.1.2 The Drop-Off commences with a Tap from the centre of the Halfway Line by the Team that did not commence the match with Possession.
24.1.3 The Drop-Off will commence with a two (2) minute period of extra time.
24.1.4 Should a Team be leading at the expiration of the two (2) minute period of extra time then that Team will be declared the Winner and Match complete.
24.1.5 Should neither Team be leading at the expiration of two (2) minutes, a signal is given, and the match will pause at the next Touch or Dead Ball. Each Team will then remove another player from the Field of Play. 24.1.6 The Match will recommence immediately after the players have left the field at the same place where it paused (i.e. the Team retains Possession at the designated number of Touches, or at Change of Possession due to some Infringement or the sixth Touch) and the Match will continue until a Try is scored.
24.1.7 There is no time off during the Drop-Off and the clock does not stop at the two (2) minute interval. 24.1.8 Substitution during the Drop-Off is permitted in accordance with normal Interchange Rules.
24.2 Mixed gender Teams may have no more than (2) males on the field during the Drop-Off.
24.2.1 In the case of a male player serving time in the Sin Bin at the commencement of the Drop-Off the offending Team will start with no more than one (1) male on the field.
24.2.2 Where a male player has been dismissed for the remainder of the match, the offending Team will be permitted to have no more than one (1) male on the field for the duration of the Drop-Off.
24.3 At the commencement of the Drop-Off, if there is a player serving time in the Sin Bin and is yet to complete the required time, their Team commences the Drop-Off with one (1) less player on the field than their opposition and continues to play with one (1) player less until the Sin Bin period has been completed. 24.4 At the commencement of the Drop-Off, if a Team has had a player dismissed for the remainder of the match that Team continues

	to play with one (1) player less than the opposition Team for the duration of the Drop-Off. 24.5 For the avoidance of doubt for clauses 24.3 and 24.4 the non-offending Team will retain a numerical advantage on the Field of Play during the Drop-Off. When a player from the Defending Team enters its defensive Seven Metre Zone the Defending Team must move forward at a reasonable pace until a Touch is Imminent or made. Misconduct 20.1 Misconduct warranting Penalty, Forced Interchange, Sin Bin or Dismissal includes: 20.1.1 Continuous or regular breaches of the Rules; 20.1.2 Swearing towards another player, Referee, spectator or other match official; 20.1.3 Disputing decisions of Referees or other match official(s); 20.1.4 Using more than the necessary physical force to make a Touch; 20.1.5 Poor sportsmanship; 20.1.6 Tripping, striking, or otherwise assaulting another player, Referee, spectator or other match official; or 20.1.7 Any other action that is contrary to the spirit of the game. 21 Forced Interchange 21.1 Where the Referee deems it necessary to implement a Forced Interchange following an Infringement, the Referee is to stop the match, direct the ball to be placed on the Mark, advise the offending player of the reason for the Forced Interchange, direct that player to return to the Interchange Area, display the relevant signal and award a Penalty to the non-offending Team. 22 Sin Bin 22.1 The on-field Referee is required to indicate the commencement and the end of the Sin Bin time. 22.2 Any player sent to the Sin Bin must stand in the Sin Bin Area at the opposition's end of the Field of Play and on the same side as their Interchange Area. 22.3 Any player sent to the Sin Bin must return to the Interchange Area prior to re-entering the Field of Play. 22.4 Any action that causes the Touch Count to restart will result in a continuation of that Possession. For the avoidance of doubt, should a defender knock the ball down or give away a Penalty, this does not mean that the Possession has been completed, but rather the Possession continues. 23 Dismissal 23.1 A player or official dismissed for misconduct is to take no further part in that match and is to move to and remain outside the Perimeter for the remainder of the match. 23.2 The dismissed player or official cannot be replaced and, in accordance with TFA Disciplinary Regulations, that player or official shall receive an automatic two (2) match suspension, or further sanction pending severity of conduct.
Item 2 - Tournament Management	
	Touch Football WA's Tournament Management will oversee all matters relating to this tournament.

	Touch Football WA will determine and/or interpret matters not covered by the Conditions of Entry and Touch Football WA decisions will be final. Touch Football WA has the right to amend any tournament rule if required. Tournament Management has several recognised, best practice processes, available to support the overall management and conduct of the event. These processes may include informal and formal means and it is at the discretion of Tournament Management as to which avenues are used to eliminate issues or caution participants. Touch Football WA maintains various events records based on previous incidents and issues. These records can be drawn on when faced with a current issue or problem if they relate. All participants need to be aware of this process and understand that information can be carried over and applied if necessary. Furthermore, during an event there is often limited time available to complete written administrative tasks, therefore items such as recorders and templates are used to be time and resource effective, to seek an outcome/resolve an issue in a reasonable manner and timeframe.
Item 3 - Draw Formula	
	After the close of nominations, an indicative draw may be distributed. The draft draw will only be distributed after team lists have been submitted and all nomination fees have been paid. An updated draw will be distributed to JSC affiliates with any additional draw changes advised as soon as possible. The final draw will be distributed before the Tournament Briefing. Touch Football WA will structure the draw in the best interests of the participants.
Item 4 - Playing Times	
	All games in the tournament and the final series will be fifteen minutes each way with a half time break not exceeding five minutes. All finals games must result in an outright winner. In the event of a drawn match at the end of full-time, a drop-off will determine the match winner.
Item 5 - Match Balls	
	All teams must use the official Match Ball in all games throughout the tournament. The referees will bring these to the fields for the game and return them to Tournament Control at the end of the game to be sanitised for the next game. Each team shall receive a ball from Touch Football WA at the Tournament Control. Extra balls can be purchased from the Merchandise area at the event.
Item 6 - Competition Points	
	For all round games, competition points will be awarded on the results obtained. The following points will be awarded:

		Win	=	Three (3) points
		Draw	**=**	**Two (2) points**
		Loss	=	One (1) point
		Bye	**=**	**Three (3) points (Depending on number of teams)**
		Forfeit	=	Zero (0) points for the offending team

Item 7 – International / Invitational Teams

International/ Invitational teams are unable to accrue points, but teams must defeat them to earn maximum points and/or points for a draw (as per above). For example, if an international team wins, neither team will receive any points for that game.

International / invitational teams will start with negative points and, regardless of results, will finish at the bottom of their respective ladders.

Item 8 – Forfeits

Teams must attend their playing fields five minutes before the commencement of their match or advertised time for Grand Finals.

It is the responsibility of each captain to report to the referees two minutes before the commencement of the game or advertised time for Grand Finals so that the toss of the coin can be affected without loss of time.

If a team is not at the field at the appropriate time of the game, the attending team can be awarded the winning of the toss.

The offending team will receive a maximum of five minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.

If the offending team is not in attendance after the five minutes has expired, the game will be deemed a forfeit, and the non-offending team will be awarded a 5 – 0 win and three competition points. The offending team will receive a score of 0 – 5 and not gain any points. The offending team will be penalised one touchdown after the first minute and one touchdown for every minute thereafter up to five minutes, and the time will be kept by the referee of that game.

The Affiliate Contact of an offending team will be required to give reasons in writing as to why their team should not be excluded from participating in any further matches. Tournament Management or an appointed Judiciary will decide upon receipt of the report if the offending teams' action warranted the need to forfeit the match and will incur a monetary fine of **$500** (GST exclusive). The team will then be ruled ineligible to participate in the respective final series. This written report must be submitted to Tournament Management before the completion of the timeslot relating to the forfeited match.

Forfeits in the Final Series

If a team is forced to forfeit in the final series, the respective Affiliate Contact must submit in writing the reasons for their forfeiture and it must be then approved by Tournament Management, or the following automatic penalties will apply:

	1. A monetary fine of **$500** (GST exclusive) will be imposed upon the forfeiting team, which will be invoiced to the relevant JSC Affiliate, who is subsequently responsible to pay. 2. The forfeiting team's overall standing will be demoted to last place in the division and carry over to the following year when the new draw is completed. NOTE: Forfeits for any reason in the final series negates the forfeiting team's rights to participate further in the tournament.
Item 9 - Determining Positions for Finals	
	Positions for the Final Series will be determined as follows: 1. Highest on table – if equal 2. Difference (for and against) – if equal 3. Percentages – if equal 4. Result of Round game – if draw 5. Drop off FORFEIT AFFECTED POSITIONS If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the round games, the forfeit may cause some obvious problems. When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in the final calculations. Similarly, for the other teams that finish on equal points, they will have the 'for and against' from that forfeited team deducted from their total. For teams involved competing against teams on two occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round. For example: Team C forfeits to Team A in game three (first round) Team A wins 5 – 0 on forfeit. Team B Defeats Team C 5 – 3 in game four (first round) **If after the round games, the 'for and against' is:** **Team A – 50 for and 10 against (plus 40)** Team B – 60 for and 20 against (plus 40) The above results would be deducted first, and the result is: Team A – 45 for and 10 against (plus 35) **Team B – 55 for and 17 against (plus 38)** **Therefore, Team B would gain the higher position** For the purpose of keeping records, if a forfeit occurs, the non-offending team will be awarded a 5 – 0 win and three competition points. The offending team will receive a score of 0 – 5 against their record and no competition points. This section only deals with forfeited affected positions for non-offending teams. The offending team that causes the forfeit will have their calculations treated as normal as they have been penalised by not gaining competition points for the match they forfeited.

DIFFERENCES

The difference is determined by subtracting the total number of Try's scored 'against' from the number of Try's scored 'for'. The team with the best difference will obtain the high position. For example:

Team A scores 50 for and 10 against
Team B scores 40 for and 10 against
By subtracting the 'against' from the 'for', Team A would be 'plus 40', whilst Team B would be 'plus 30'. Team A would therefore obtain the higher position.

If teams have the same 'difference' the percentage system would then apply.

PERCENTAGES

If this system is used, it is easily explained that the 'difference' is in the 'plus' situation (see above), the team with the least number of Try's scored against them, would obtain the higher position. However, if the 'difference' is in the 'minus' situation, the team that has scored the most Try's (for) would obtain the high position.

The percentage system is calculated by placing try's 'for' over try's 'against' and multiplying by 100 over 1.

Using the above example:

Team A = $\frac{50}{10} \times \frac{100}{1} = 500\%$ Team B = $\frac{60}{20} \times \frac{100}{1} = 300\%$

Team A would obtain the higher position.

RESULT OF ROUNDS

If all is equal, then the results of the preliminary game between the two shall be determine the higher position.

DROP-OFF

If the result of the round game was a draw, a drop-off will occur with details to be communicated by Tournament Management.

Item 10 - Complaints and Protests

TFWA recognise that all parties wish to have the opportunity, should a situation arise, to have their position heard and/or considered.

A 'complaint' may be dealt with informally or formally through the lodgement of an Official Protest.

	Tournament Management aims to provide a simple dispute resolution process for complaints based on the principles of procedural fairness. Any person (a complainant) may report a complaint about a person/s, and/or organisation. Tournament Management will ensure a fair hearing/consideration occurs at various levels in a fair and reasonable manner. However, TFWA also requires that as the primary purpose is to seek an outcome/resolve an issue, all in attendance at a judiciary is to work on that basis and the primary purpose of all in attendance is to work within the framework stipulated. The aim to deal with the complaint or incident at the lowest level at which a matter can be dealt with shall always be preferred. TFWA reminds all parties that the following issues will not be open to protest and therefore formally advises all teams that they must be aware of, and comply with this requirement, prior to the commencement of games. As per the 8th Edition Rules: • The Referee – The referee is the sole judge on matters of fact and is required to adjudicate on the rules of the game during play. The referee may impose any sanction necessary to control the match and award penalties for infringements against the rules, at his/her discretion and **interpretation**. • Authority of the Referee – Players, coaches and officials of both teams are under the control of the officiating referee, during the conduct of a game/match. Any protest put to Tournament Management on the above issues will be dismissed without the right of appeal (as per the 8th Edition Rules). Tournament Management does request that any matter associated with these rules in the 8th Edition may be brought to the attention of Tournament Management so that direct discussions can occur with the TFWA Referee Panel and subsequently the referee, as required. All other complaints will be dealt with promptly, seriously, sensitively and confidentially, as per the outline above. If you wish to remain 'Anonymous' in the lodgement of any complaint or issue, Tournament Management may have difficulty assisting you to resolve your complaint. Procedural fairness means that Tournament Management is required to provide the person/people you have complained about with full disclosure of details pertinent to the complaint and the complainant, so they have a fair opportunity to respond.
Item 11 - Informal Complaint/Resolution Process	
	Step 1: Talk with the other person (where this is reasonable, safe and appropriate) In the first instance, you (the Complainant) should try to sort out and resolve the problem with the person or people involved (respondent), if you feel able to do so. Step 2: Ask Tournament Management to become involved The Tournament Management will:

	• take confidential notes about your complaint; • try to establish the facts of the problem; • ask what outcome/how you want the problem resolved and if you need support; • provide possible options for you to resolve the problem; • refer you to an appropriate person to help you resolve the problem, if necessary; • inform the relevant government authorities and/or police if required by law to do so; Step 3: Outcomes from initial contact with Tournament Management After talking with Tournament Management, you may decide: • there is no problem; • the problem is minor, and you do not wish to progress the matter; • to try and work out your own resolution; or • to seek a mediated resolution with the help of a third person (such as a mediator); or • to seek a formal process.
Item 12 - Formal Protest Process or Tournament Management Investigation of a Breach	
	Step 1: Making a **formal** complaint through lodging a Protest If your complaint is not resolved or informal approaches are not appropriate or possible, you may: • lodge a formal protest; • to ensure protests are seriously lodged a $200 bond must be provided; • protests are to be lodged (by Affiliate Contact or their nominated representative) within 30 minutes of the conclusion of game or an appropriate Tournament Management determination. Upon receiving a formal complaint via the protest form, or if a potential breach of the rules or Conditions of Entry of the event has occurred Tournament Management will decide whether: • they are the most appropriate person to receive and handle the protest or breach; • to investigate the matter and resolve if possible, using the existing parameters such as the conditions of the event or precedent; • undertake avenues to mediate a desirable outcome; • the nature and seriousness of the complaint warrants a formal member protection procedure; • to refer the complaint to a disciplinary regulations process and hearings tribunal; • to refer the matter to the police or other appropriate authority; In making the decision(s) outlined above, Tournament Management will consider: • whether they have had any personal involvement in the circumstances which means that someone else should handle the protest or breach; • whether the facts of the protest or breach are in dispute; and • the urgency of the protest or breach, including the possibility considerable disadvantage while the investigation and resolution process is underway.

	If Tournament Management is the appropriate person to handle the protest or breach, they will, to the extent that these steps are necessary: • put the information they have received from you to the person/people you are protesting about and ask them to provide their side of the story; • decide if there is established information on the balance of probabilities to determine whether the matter alleged in your protest or breach did or did not happen; and/or • determine what, if any, further action to take to reach a resolution or outcome. Step 2: Investigation of the Protest or Breach/Scorecard Dispute • a person appointed by Tournament Management will investigate to determine what further action to take; • if the protest is referred to mediation, to resolve; • if the protest or breach is referred to a hearing's tribunal, the hearing will be conducted in accordance with the Disciplinary Regulations; Step 3: Resolution Tournament Management will document the complaint or protest, the process and the outcome. The Affiliate Contact or their nominated representative will be notified of the decision. Any notice to be served on any person to attend a hearing will be served on the Affiliate Contact or their nominated representative. Any such service is deemed to be served on all parties or persons within that State Championship Entity. The documents will be stored in an event-based folder that will allow for future reference if required. If the protest is upheld, then the bond will be returned. If the protest is dismissed, the bond may not be returned and would be retained by the event. Step 4: Reconsideration of initial outcome or subsequent appeal If, under this process you are not satisfied, you may request that Tournament Management reconsider the complaint or protest through the appeal process. The grounds and process for appeals then moves to the First Level Appeal Process, explained within the TFA Disciplinary Regulations.
Item 13 - Disciplinary Regulations	
	TFA have implemented Disciplinary Regulations and have expressly withdrawn the '*A Ready Reference Guide to Judiciary Matters*'. **https://touchfootball.com.au/media/17680/20250124-disciplinary-regulations-for-touch-football-final.pdf** Touch Football Australia is the 'TFA Authority' and when using the Disciplinary Regulations commences at the Disciplinary Tribunal level and allows for a first level appeal to occur in an event environment. This is therefore the final level of an appeal that will be used within the event environment. A second level appeal process is available, however cannot be implemented inside an event environment. Second level appeals will be undertaken separately to an event under normal Disciplinary Regulations timelines and processes (see Points 7-18 below).

	In all cases the Disciplinary Regulations apply to this event, with amendments to the timelines (annotated in Bold) to ensure the urgency in dealing with situations that arise in an event context as outlined below: 7. CONVENING DISCIPLINARY TRIBUNAL HEARINGS (b) Notification of persons charged under these Disciplinary Regulations must include details of the day, time and place of the Disciplinary Tribunal hearing at which the charge will be heard in accordance with these Disciplinary Regulations and must be provided at least one hour's notice to such hearing. 8. REPORTS BY OFFICIALS 8.2 Two match suspension under TFA Playing Rules (a) Where a player has been dismissed for the remainder of the match by a referee under the 8th Edition Rules of the TFA Playing Rules and Referee Signals (Playing Rules) (as amended from time to time), the referee must report the dismissal to the relevant TFA Authority. Under the Playing Rules a player dismissed for the remainder of the match will receive an automatic two match suspension from all matches conducted by any affiliated Touch Association. Any such automatic two match suspensions must be reported verbally by the referee or competition organiser within 30 minutes, with two hours allowed to provide the written report. 11. DUTIES OF TFA AUTHORITY UPON RECEIVING A REPORT Provide the charged person, team or club with a copy of the Incident Report form. In carrying out this function the Hearings Officer shall: 1. (A) provide a copy of the Incident Report form to the charged person (or a representative of a charged team or club) a minimum of one hour's notice 2. prior to the hearing; or 3. (B) if the TFA Authority does not have contact details for the charged person, team or club, make a copy of the Incident Report form available for collection by the charged person, team or club and notify the team manager of the requirement to collect the form; 18. NOTICE OF APPEAL (a) The Appellant must: (i) lodge a notice stating full details of charges and results thereof and stating in full the grounds of appeal with the Appeals Officer within 30 minutes of the notification of a determination of a Disciplinary Tribunal hearing using the Notice of Appeal form at Appendix D or other form issued by the TFA Authority ('Notice of Appeal'); and

	(ii) pay the appeal fee to the Appeals Officer when lodging the Notice of Appeal, which shall be: (A) $200 for an Appeal Tribunal conducted by a TFA Authority (first level of appeal); and (B) $400 for a TFA Appeal Tribunal conducted by Touch Football Australia (second level of appeal). The appeal fees do not apply in the case of appeals by minors and may be waived (in any other case) in the discretion of the Appeals Officer. (b) An Appellant shall be notified by the Appeals Officer within 12 hours of receipt of the first level Notice of Appeal as to whether an appeal hearing is to be granted (under regulation 17) and the time, date and place of the appeal hearing if it is granted.
Item 14 – Suspensions	
	In the event of a player being sent from the field for the remainder of the game, an automatic two match suspension will apply unless the Judiciary Committee considers other action is warranted. Any player who receives three separate periods of time throughout the tournament will be required to appear before Tournament Management to show just cause as to why he/she should not be given an automatic two match suspension (or more if the Judiciary considers further action is warranted). The suspension applies to the next two matches the team participates in at the event or future events. It does not include byes, or if the player belongs to a team that forfeits in a match. Games forfeited to the suspended player's team will count. Any player who receives a third period of time during the final's series will automatically receive a two-game suspension at the following Touch Football WA event they participate in. If a suspension or penalty is imposed that may affect a local or state event, there needs to be communication with the relevant state office.
Item 15 - Eligibility Issues	
	In the event of a protest being lodged regarding a player's eligibility (should Touch Football WA feel the protest has foundation), the JSC Affiliate will be required to provide proof of eligibility. Documentation of an individual required to prove eligibility would include: • Statutory Declaration for the individual that they have met eligibility criteria • Copy of the individuals Registration Form • Copy of typed sign-on sheets of which the individual participated in to be eligible Should a JSC Affiliate be unable to prove eligibility of a player, they will be unable to participate in the tournament. If the individual has already participated, the team will lose any points gained while playing an ineligible player.

	A team found playing an unregistered or ineligible player may be disqualified. Player Review: After the Initial Team Lists are sent to Touch Football WA, player names will be distributed to Affiliate Contacts. If there are any issues with the eligibility of individuals, they are to lodge a Protest with Touch Football WA with accompanying evidence. Touch Football WA may seek advice, evidence and relevant documentation, which will have an individualised timeframe for response. In the case of no response, determinations may be made on the available information. No Protests can be lodged about listed individuals after 5pm Saturday, 30th November 2024. Disputes within state boundaries will be determined by the relevant state body (Touch Football WA).
Item 16 - Score Sheets	
	It is the responsibility of each team to allocate the appropriate person to sign the score sheet at the end of each game. The appropriate person can be seen as the Coach or Team Manager. In signing the score sheet the nominated person on behalf of their team has acknowledged and accepted the information contained on the score sheet to be true and accurate. This information includes: • Full-time and half-time scores • Playing Numbers • Try scorers • Send Offs or Period of Times Touch Football WA encourages all referees, team players and officials to communicate throughout the game to make sure that all parties have responsibility in ensuring that the score sheet is correct. If you do not agree with the information on the score sheet, do not sign the score sheet and lodge a protest via the Affiliate Contact as indicated above. If the score sheet has not been signed and the time has passed for a protest to be lodged, the information on the scoresheet will be recorded. If the information on the score sheet is unclear, the relevant parties may be contacted to confirm.
Item 17 - Score Disputes	
	If a team does not agree with the score on the score sheet, they are to lodge a protest via the Affiliate Contact as indicated above. The following information is to be provided with the protest: • Who tapped off • The order the scoring occurred (including player numbers of both teams)

	• The half-time and full-time score The opposing team will be called to verify the score. If they do not agree or in the event of inconclusive evidence the score will be recorded as the score that the referees have recorded. Alternatively, video evidence can be provided, and the evidence will be used if conclusive.
Item 18 - Additional Players	
	A team may only play 14 players per match in the U/12, U/14 and Open (15-17) Divisions and only 12 players per match in the 8 and 10 Years and Under Divisions. If a team registers more than the permitted number of players for the tournament then the management of the team must correctly indicate on the score sheet that will be available at the field, who the players are and who will be playing in that match by crossing off the player names off the score sheet who will not be playing. Tournament Management will take a common-sense approach to teams who do not purposefully break this rule by failing to complete this administrational requirement. A $20 (GST exclusive) fine per additional player will be issued to the JSC Affiliate if this occurs. If a team believes that the opposition plays an unregistered player or plays more than the permitted number of players, they are to lodge a protest. For the protest to be upheld, the opposition must agree that they broke this rule or conclusive video evidence must be provided.
Item 19 - Interchange Area Rules	
	The interchange areas will be positioned on both sides of the fields, as illustrated in the 8th Edition of the TFA Playing Rules (six a side). The team winning or awarded the toss has the right to choose the interchange area on behalf of their team. A maximum of 20 registered participants may be present on the playing surface (including interchange area and permitted coaching positions). Everyone must wear closed footwear. Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action. If a team believes that the opposition had more than 20 registered participants in their interchange area, they may lodge a protest. For the protest to be upheld, the opposition must agree that they broke this rule or conclusive video evidence must be provided. If the protest is upheld, it cannot change the result of the game. However, it may attract significant fines.
Item 20 - Incorrect Substitutions	
	Interchange Procedure: Substitute players must remain in their interchange area for the duration of the match. All interchanges must occur at or within the team's interchange area, and only after the substituted player has crossed the boundaries and entered the interchange area.

	Substitutions generally only occur with the team in possession, unless a touchdown has been scored, or an injury / force sub occurs. Staff will look to enforce this as they have at previous events. In additional to being told to rectify these situations, a $20 (ex GST) fine per offence to a maximum of $100 may be issued for breaches such as not remaining in the interchange area as required. All interchanges must be made on the one side of the field and without delay. Physical contact does not have to be made between interchanging players and players leaving or entering the field shall not hinder or obstruct play and must enter from an outside position. Following the scoring of a touchdown, players may interchange at will without having to wait for the substituted player to enter the interchange area. Referees are to maintain a common-sense approach when facing situations in elite games where there are interchange issues including situations where attacking players are running off for an interchange in front of play or roll ball or a tap. Referees are to assess whether there is any disadvantage to the non-offending team. If not, then play on. If there is a disadvantage to the non-offending team then referees are to consider the option of issuing a warning or applying a ruling under the playing rules. Only in exceptional circumstances should a sanction be applied to interchange situations. The control and sideline referees are to maximise communication in dealing with such issues. Breakaway: In a situation where a player in possession has no opponent between themselves and the score line, a defender cannot enter one area of the interchange area with the substituting defender exiting from the opposite area of the interchange area. Should such a situation occur, with the substitute defender's presence preventing a touchdown, the referee will automatically award a penalty touchdown and send the offending defender off for the remainder of the game. Such substitutions can only occur with the exchanging players contacting each other.
Item 21 - Coaching Positions	
	A coach may position themselves at the end of a field. If they are at the end of the field, they must remain five meters behind the dead ball line. Where a fence or advertising signage prevents this, they must remain behind the fence or advertising signage. Any coaching/managing staff at the end of a playing field cannot issue any verbal or physical commands directly to the team they are observing and can only communicate to the team or other coaching/management staff in the interchange area by returning to the interchange area, or by use of electronic communication equipment. Any person found to be disregarding this tournament rule will be asked to return to the interchange area. Coaches are reminded that they are under the jurisdiction of the referee regardless of being either in the interchange area or at the end of the field. Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action.

Item 22 – Spectators	
	Field One (showcase field) is only accessible to registered players or officials participating in the relevant time slot. There is no spectator access to the area unless otherwise communicated by Touch Football WA. All spectators must be behind the designated spectator line (red line, fencing or signage). This is for the safety of participants as well to maximise the spectator experience.
Item 23 - Affiliate Contact Meetings and Guidelines	
	All Affiliate Contacts meetings must be attended by the registered Affiliate Contacts only, or their nominated replacement, who must also be a registered official with Affiliate concerned. The Affiliate Contact is not to enter the field of play before, during or after a match except for in an emergency. The Affiliate Contact may request the opportunity to speak to the Referees Panel through Tournament Management. The Affiliate Contact is responsible for submitting all reports, number changes or protests on behalf of their JSC Affiliate.
Item 24 - Communication with Referees	
	During a match, only the team captain can communicate with a referee. This communication must only occur between the captain and the on-field referees i.e. not the referee water carriers After the conclusion of a match, the Team Manager or Coach can approach the referees to sign the score sheet but are not to engage in 'heated' discussion. Similarly, no heated exchanges are to occur with Referee Coaches etc in the vicinity. A meeting may be established to discuss any issues arising during the game via a request through Tournament Management after a 30 minute 'cool off' period has passed. Those permitted to attend the meeting include: • Coach • Designated Affiliate Contact • Touch Football WA Tournament Management (or designated staff member) • Match Referee(s) • Referee Panel Member(s)
Item 25 – Presentations	
	All trophies and medallions will be presented to the teams and individuals at the end of their respective final matches wherever possible, or as soon as practical. Touch Football WA is committed to adequately recognising all finalists and therefore will look to adopt measures that reflect this. A Grand Final Most Valuable Player award will be presented in all divisions (excluding 8's & 10's).

Item 26 - Talent Identification	
	This event will be used for the continuous Talent Identification process for the selection of state youth squads. It is important for the purposes of selection any number changes or uniform issues are communicated with Tournament Management. It is not necessary for players to nominate for this process however, all players will be assessed unless they inform Touch Football WA that they are not available for selection. Selectors will be responsible for the selection of the most valuable player in each division during the tournament.
Item 27 - Champion Affiliate	
	The following method will be used to determine the Champion Affiliate. The results of in the 12's, 14's and Open Divisions for each JSC Affiliate will be accumulated in the following manner and the JSC Affiliate with the most points will be declared the winner. **All Divisions** **1st – 15 points** 2nd – 10 points **3rd – 7 points** 4th – 7 points **5th – 4 points** 6th – 3 points **7th – 2 points** 8th – 1 point If a count back is needed the count back will be determined in the following manner, the JSC Affiliate with the most Championships. If equal, the JSC Affiliate with the most second places, etc. If still equal, joint JSC Affiliates will be awarded. Item 2 - Member Protection UPDATED	
	Member Protection is a significant issue both within the community and within the sports environment. Touch Football WA has a moral responsibility to ensure we are remaining current with Member Protection issues related to the members of Touch Football WA. Touch Football Australia Member Protection Policy One initiative that Touch Football WA is currently adopting as an education process on the issue is the 'Play by the Rules' program available at www.playbytherules.net.au. This website has several interactive courses that coaches and officials can undertake to learn more about Member Protection. Below is the statement from the home page of the Play by the Rules website. *Play by the Rules* provides information and online learning about how to prevent and deal with discrimination, harassment and child abuse for the sport and recreation industry. *Play by the Rules* is a partnership between the Australian Sports Commission and all State/Territory sport and recreation and anti-discrimination agencies. The information on *Play by the Rules* is not intended to be, nor should it be relied upon as, a substitute for legal or other professional advice. *Play by the Rules* is supported by the Australian and State and Territory Governments. Touch Football WA will encourage each official attending Touch Football WA events to complete the online course and supply to their SLS Affiliates a certificate of completing the course. The course is very easy, informative and takes limited time to complete. The printed certificate would be submitted at the Tournament Briefing with the Registration Information. The certificate can be supplied and then a register can be maintained for future events, therefore the ongoing requirement would be for new officials each event. We hope that you find value in this initiative as we all work towards providing an environment that is both positive and safe for all participants.
Item 3 - Legal Guardianship Issues	
	Legal Guardianship is the responsibility of the JSC Affiliates. Persons under the age of 18 will be in attendance at the event. In understanding our expectations around your role and responsibilities we provide you some additional information related to legal guardianship. This communication contains general advice only and does not consider individual objectives, circumstances and/or a legal view. The information contained in this communication is only to offer some additional information on this particular area and individual research and advice should be sort for your personal circumstance.

	Guardians – A guardianship is a legal right given to a person to be responsible for the food, healthcare, housing, and other necessities of a person deemed fully or partially incapable of providing these necessities for himself or herself. **What are a Guardian's Duties:** The guardian makes decisions about how the person lives including their residence, healthcare, food and social activity. The guardian is intended to monitor the person, to make sure that the person lives in the most appropriate, least restrictive environment possible, with appropriate food, clothing, social opportunities and medical care. **Communication with the Parents:** Ensure you are informed of any medical concerns, including food allergies. In addition, you will need to agree on things like sleeping arrangements, the administration of over-the-counter medications, and procedures for contacting the parents in an emergency. Information provided and acknowledged from the following websites: http://www.expertlaw.com/library/estate_planning/guardianship.html http://singleparents.about.com/od/legalissues/ht/temporary_guard.htm
Item 4 - Supervision of Underage Players	
	JSC Affiliates are to be reminded that they are responsible for the direct supervision of any player or official who is under the age of 18 years. All steps should be taken by the JSC Affiliate to protect these persons from all forms of harassment. This includes ensuring that: • All minors must be made fully aware of the TFA Code of Conduct • All officials comply with the relevant Child Protection laws • When travelling to, during and from the tournament all care is taken to supervise minors
Item 5 - Child Safeguarding	
	Any team officials including coaches and managers who will be taking part in the 2026 WA Junior State Championships presented by Fuel to Go & Play who will be dealing with players who are under the age of 18 years will be **required** to hold a valid Working with Children's Check. Please note that parents who are coaching/managing their own child's team are exempt from having to hold a Working with Children's Check. TFA and Sport Integrity Australia – National Integrity Framework Safeguarding Children and Young People Policy https://touchfootball.com.au/media/15779/safeguarding-children-and-young-people-policy.pdf
Item 6 - Water Safety	
	Many entities use ice baths for their athletes and there are also several young children that attend the event. Therefore, it is vital that proper supervision occurs and that an adult

	always watches children around water, because drowning can occur in less than a minute and without you hearing a thing. Even when children can swim, 100% supervision is the key to preventing drowning, which is the number one cause of death for children under five. A young child can drown in as little as five centimetres of water – remove any containers with water in them and make sure children cannot get to any bodies of water on their own.
Item 7 - Food Handling	
	Many Entities and teams arrange lunches or snacks for participants through pooling groceries and food. It is important to note that handling food for groups can be a major risk factor with food poisoning or spoiling. TFWA reminds Entities that they need to have processes and policy around the individuals that are responsible for the aspects. Please visit www.foodstandards.gov.au for more information.
Item 8 - Images and Video Footage	
	All persons accept that, by participating in this event, they may be photographed and/or filmed and that these images may be used by Touch Football WA and authorised parties for promotion of the sport. Touch Football WA will not pass any image onto unauthorised third parties unless prior approval is sought. If you do not wish Touch Football WA to be able to use your image or be filmed, you must notify Touch Football WA in writing. With the use of social media, it is now important Touch Football WA, through TFA, has regulations around the filming of players and games at events. To protect the privacy and images anyone filming games or players will be required to be registered with Tournament Management and have permission to film. In allowing filming they must comply with relevant clauses around the use of footage, these will be provided on the registration sheet.
Item 9 – Weather	
	Assessments on weather condition will be based on the TFA Extreme Weather Guidelines. Tournament Management will decide when to invoke the measure outlined in this policy. A game cannot be completed to full time the game may be rescheduled as soon as possible at a time and on a ground arranged by Tournament Management in consultation with both teams. If the game has commenced, and cannot continue prior to half time the following will apply: 1. The game will start from the beginning and must be completed up to the regulation full-time. 2. The score will commence at 0 – 0. If half-time has occurred and the game cannot continue, the following will apply: 1. The game will start from the beginning of the second half and must be completed to the regulation full-time. 2. The score will commence at the score that was recorded at half-time. 3. If a team refuses to complete the game when it has been resumed, that team shall forfeit the game. If, due to time constraints or any other reason, a game cannot be rescheduled the following will occur:

	1. Games that did not continue prior to half-time will be abandoned and a 0 – 0 score will result. 2. The result of games that did not continue after and including half-time will be the score at that point in time. NOTE: Tournament Management reserves the right to judge and adjust to suit the conditions as required.
Item 10 - Concussion Policy	
	TFA Sports Science and Sports Medicine Framework 2017 contains TFA Concussion Policy which aligns with the Australian Institute of Sport (AIS) and Australian Medical Association (AMA) joint position on Concussion in Sport. AIS and AMA have launched www.concussioninsport.gov.au – an Australian Government funded website providing simple, but specific advisory tools for athletes, parents, teachers, coaches and medical practitioners. How to recognise concussion and what are the symptoms/ signs of concussion and further information can be found here https://concussioninsport.gov.au Or https://touchfootball.com.au/media/16140/concussion-policy-for-touch-football-may-7.pdf An electronic clearance form for return to play to be completed by a doctor can be found at the below link to assist in any player needing medical care due to a concussion. https://touchfootball.com.au/media/11227/tfa-medical-clearance-form.pdf The TFA approved Return to Sport Policy will now align as per the following Concussion Policy for Touch Football:
Item 11 - Blood Bin	
	Any player with a bleeding cut or abrasion is to leave the field immediately and have the cut or abrasion cleaned or covered. At this time, any blood-stained clothing must also be either cleaned or replaced. If the player does not leave the field immediately, the referee will stop the game and ask the player to leave the field (normal substitution rules apply). Once the flow of blood has been stemmed, the cut or abrasion cleaned and covered, and any blood-stained clothing and equipment cleaned or replaced, the player may return to the field and continue play. If bleeding cannot be controlled and the wound securely covered, the player must not continue in the game.

Item 12 - Glass Bottles and Alcohol	
	All participants are to refrain from bringing glass containers of any type into the venue. As this is a Junior event there will not be a licensed area. It is illegal under Liquor Licensing Laws for any person to bring alcohol onto the grounds or consume alcohol at this event. Any person found consuming alcohol at the venue will be kindly asked to leave the venue and will be prevented from participating in the remainder of the event. <u>Penalty:</u> A fine of $1,000 (GST exclusive) will apply for each incident. This penalty will be enforced, and the offender(s) will be invoiced accordingly (JSC Affiliates will be held responsible for members consuming alcohol at the event). Touch Football WA will require Affiliate Contacts and Team Managers within each JSC Affiliate to assist and take control of their members. Touch Football WA representatives will seek names and/or details of any breaches that occur, but JSC Affiliates may be required to assist Touch Football WA by identifying the offender(s) or face carrying the penalty on behalf of unidentified members.
Item 13 - Parking Areas and Traffic Management	
	Touch Football WA will communicate all traffic management information at the Tournament Briefing. Any individual parking in an incorrect area will be towed. Any fines or infringements incurred by individuals or teams are solely the responsibility of those persons and no liability is applicable to TFWA.
Item 14 - Injury Clearances	
	In instances where a participant is examined by TFWA Medical and it is indicated that they should not participate for a certain amount of time, the participant will be deemed to be ineligible to do so. Therefore, if the participant does participate, the team may be disqualified. In addition, insurance issues may result if the participant does participate, due to the participant being deemed as ineligible.
Item 15 - Discipline Protocol	
	The TFA Board and Management reaffirm TFA's position on the key requirement of enforcing and supporting a safe and harassment-free environment for all participants. We commit to providing a positive participation experience where all parties are afforded respect and courtesy for the role they fulfil within the game. As a sport and organisation, we do not condone or tolerate any form of abuse or harassment. This should be a minimum expectation of all participants in the sport. To this end, we will be providing a clear guideline for enforcement throughout the 2026 Super League Series, particularly associated with instances that occur on field. This expectation applies to all tournament participants including players, coaches, managers, officials and spectators. It is linked to all organisational policies as well as the responsibility code, which will be available and promoted clearly throughout the events. We wish to provide for our referee community and staff an environment which is free from such abuse or harassment.

	TFA recognises the vital role referees play in our great game and supports their right to be respected whilst doing so. To that end 'zero tolerance' will apply to any form of abuse or harassment of referees and officials. The TFA Member Protection Policy 2024 can be referred to by clicking on this link member-protection-policy.pdf Referees are encouraged to use the attached guideline for discipline of such instances throughout the tournament. Any other form of abuse or misconduct experienced by attendees at the event should be reported directly to tournament management for action. TFA has managed all reported instances in the past in a way which supports an abuse and harassment free environment and commits to continuing such an approach throughout this event, and the sport in general. This protocol has been designed to consider several TFA policies, which can be found at www.touchfootball.com.au including: • 2026 WA Junior State Touch Football Championships presented by Fuel to Go and Play Conditions of Entry • TFA Member Protection Policy • TFA Responsibility Code
Item 16 - Force Majeure	
	A. If Touch Football WA is unable to perform, in whole or part in any obligation under these regulations of a Force Majeure Event, Touch Football WA is relieved of that obligation under these regulations to the extent, and the period it is unable to perform. B. In addition to C. Policies (Item 13 – A) Touch Football WA has no obligation to refund any individual or team any fees paid if it is unable to perform by reason of Force Majeure Event. Force Majeure Event: For these regulations a Force Majeure Event includes but is not limited to any or all the following: • Acts of God including flood, drought, earthquake, storm, cyclone, fire, explosion, epidemic; or • War; or • Terrorism; or • Riot or civil disturbances; or • Permanent injunction of any duty constituted court of competent jurisdiction; or • Any fact, circumstances, matter or thing beyond the reasonable control of Touch Football WA.
