Message from the Minister

On behalf of the NSW Government, I would like to welcome you to Coffs Harbour for the 2020 Inferno National Touch League – an annual tournament that showcases representative Touch Football on a national stage.

The NSW Government is proud to support the 2020 Inferno National Touch League through its tourism and major events agency, Destination NSW.

The Inferno National Touch League is not only a valuable opportunity for the country's best athletes to come together and compete, but to drive visitation to regional NSW.

Tourism is vital to rural and regional communities, contributing \$20 billion to the NSW economy and directly employing more than 95,000 people. Your visit to Coffs Harbour for this national tournament puts more heads on beds, more diners in restaurants and bars and more shoppers through stores – ultimately driving the creation of jobs and investment in the local economy. Initiatives like this directly benefit local communities.

I strongly encourage you to make the most of your stay in this wonderfully diverse part of NSW. Explore the ancient rainforests and pristine marine park, visit the iconic Big Banana and stunning beaches and enjoy all there is to see and do in this region.

I wish all competitors the best of luck in the 2020 Inferno National Touch League and trust you will enjoy your stay in Coffs Harbour.

The Hon Stuart Ayres, MP

Minister for Jobs, Investment, Tourism
and Western Sydney

Message from the CEO

On behalf of the Touch Football Australia (TFA) Board and staff, I'm pleased to welcome everyone to beautiful Coffs Harbour for the 2020 Inferno National Touch League (NTL).

This year will be a huge event, with 119 teams competing. It will also be a history-making nationals, with seven of those teams competing in the brand-new Indomie Noodles All Abilities division. Having an All Abilities division makes this the first ever All Abilities competition played at a national level, and makes NTL a truly inclusive event.

Make sure you take some time to cheer on these inspirational athletes from the sidelines on Days 2 and 3. Because that's one of the best things about our great sport – the fact that it's an inclusive game with a place on the field for everyone.

The NTL is particularly diverse because it's the time of year Touch Football players from communities all over the country come together in this stunning destination. Many of you have travelled huge distances to be here.

Thank you to all the hard-working and passionate players, families, affiliates, referees, coaches, team managers and our other generous volunteers for the sacrifices you've made to be here.

Thank you to Inferno Sports, Destination NSW and Coffs Harbour City Council for your contribution and helping us put on what we hope will be an outstanding NTL event.

Thank you also to our other government and commercial partners – many of them will be activating at the event so we hope you get around and see some of the great things they're doing.

I hope everyone has a fantastic time. Make sure you show us what you're up to by using the hashtag **#NTL2020**.

Between matches, tune into the livestream of every single game played on field one, at the TFA YouTube channel (www.youtube.com/touchfootballaus) or via Touch Football Australia's Facebook page.

I am looking forward to getting around the grounds to watch some exciting games over the next few days. I wish you a successful tournament and hope you enjoy all that the Coffs Coast has to offer.

Jamie O'Connor

Chief Executive Officer

"Our favourite feature is being able to sleep in the Zero Gravity position and letting our body recover while we sleep. The fact that we can have a massage before sleep and when we wake up has really helped us feel fresh post games and training"
Dylan & Emily Hennessey

"Being able to sleep in the zero-gravity position is not only so comfortable but has me waking up feeling fresh after physical games and long days of training. I never knew a lot about the benefits of sleep health but after teaming up with Adjusta Mattress I've learnt how important sleep really is"
